AGENDA ITEM TITLE:	DISCUSSION AND ACTION, LAKE MENZIE STORY WALK PROJECT
SUBJECT:	The Town Commission will consider names for the story walk project.
STAFF ANALYSIS:	Town Staff made a recommendation to the Dundee Tree Board to create an educational story walk at Lake Menzie in an effort to encourage health & wellness to our youth and create an opportunity to learn more about our trees in Dundee. We have 16 pre-designed posters arriving in mid-April 2023 that will be posted at Lake Menzie. Once a name is chosen for the project, a sign will be designed and place at Lake Menzie.
