

Build Your Nonprofit Muscles.

Board Boot Camp

Knowledgeable and dedicated leaders are essential to a nonprofit's success.

This unique opportunity, led by Community Foundation staff members, will help your board members - and staff members - grow in their roles and increase your organization's impact.

Are you interested in strengthening your role as a nonprofit board member?

Does your nonprofit board need a refresher course?

- In this two-hour program, you will learn:
- The difference between nonprofit and for-profit entities, including legal considerations
- Board member roles and responsibilities
- Effective leadership and oversight
- Prospective, new and seasoned board members are welcome as well as nonprofit staff.

Schedule and Location

Board Boot Camp is offered quarterly for a minimum of four participants at the Community Foundation, 700 Locust Street in Dubuque. Call to discuss how this program may also be delivered to your board meeting room.

"I found the experience awesome. It was educational, enjoyable and worthwhile. I highly recommend this experience for new members to boards."
