

## City of Dyersville will be FLUSHING FIRE HYDRANTS

**Monday, June 19<sup>th</sup> thru Friday, June 23<sup>rd</sup>, 2023**

### Dates and Sections of town.....

Monday	NW side, including NE section north of river
Tuesday	SW side, including 1 <sup>st</sup> Ave W
Wednesday	NE side, including 2 <sup>nd</sup> Ave SE & 1 <sup>st</sup> Ave E
Thursday	SE side, not including 2 <sup>nd</sup> Ave SE
Friday	South of 15 <sup>th</sup> Avenue SE

The water in the areas being flushed may become discolored for a short time. If this happens, let the water run until it clears up – should be less than 5 minutes.

We are asking residents to refrain from doing laundry the day that their area is being flushed due to the possibility that the water may become discolored.

We are also asking the residents to bypass their water softeners the day that their area is being flushed to prevent the possibility of the resin being moved into their water pipes.

We would like to thank our customers for their time and understanding of the City's needs to maintain their infrastructure.

If you have any questions, please contact City Hall at 875-7724
