I believe in the past they blocked off the road between legacy and Xavier as that is where the firetruck parked.

Kerry,

Just to verify, you will be located at Legacy Square. No streets need to be closed for this event.

Kerry,

When you were in yesterday, you mentioned June 12th as the date for the firemen to come to Totus Tuus. I believe the date might be the 19th of June. We could accommodate the 19th of June. Just let us know.
