Subject: Re: Dyersville Downtown Market Support Request - 2026 Market Season

**** This Message originated from outside [External Email] Be Very Aware Links and Attachments.****

Dear City of Dyersville Team,

The Dyersville Downtown Market is requesting approval and assistance with the closure of **2nd Street SW from the corner of 3rd Avenue SW to the corner of 2nd Avenue SW** for our upcoming market dates.

The requested street closures are for the following 2026 Dyersville Downtown Market dates:

- Saturday, June 27
- Saturday, July 18
- Saturday, August 29
- Saturday, September 26

The closure is requested to provide a safe environment for vendors, community members, and visitors attending the market. This area will be used for vendor setup, pedestrian traffic, and market activities throughout the event.

We appreciate the City's continued support and partnership in helping make the Dyersville Downtown Market successful each year. Please let us know if there are any additional details, permits, or information needed from us to complete this request.

Thank you for your consideration and continued support of our community events.

Sincerely,

Dyersville Downtown Market Team

DYERSVILLE DOWNTOWN MARKET
