ZONING APPLICATION

The procedures for all zoning applications are listed in the Dyersville Code of Ordinances, Chapter 165. The application review procedure will not begin until a complete application is submitted to the City, according to Chapter 165 of the Dyersville Code of Ordinances. **Incomplete Applications Cannot Be Processed. Call the City at 563-875-7724 for meeting dates and deadlines.**

Site Layout

Use this checklist to provide a general site plan, drawn to scale with dimensions, as a part of all zoning applications required for site plan review, planned unit developments, and sign permits. The site plan is required to show the following, however, the City may waive items for inclusion after a pre-application meeting:

- _____ The date, scale, north point, title, name of owner and name of the person preparing the plan.
- _____ The location and dimensions of boundary lines, easements, and setbacks of all existing and proposed buildings and parking areas from the boundary lines.
- _____ The location, size, height, and use of proposed and existing structures on the site.
- _____ The location of major site features, including drainage systems with existing and proposed contour lines to display proposed grading, but in no case greater than at 5-foot intervals, and 2-foot intervals for PUD applications.
- _____ The location of all proposed site improvements, including parking and loading areas, pedestrian and vehicular access, sewers, sidewalks, utilities, service areas, fencing, screening, landscaping, and lighting.
- _____ Landscape concept plan showing location and type of existing trees over 6 inches in diameter and proposed plantings, berms, bufferyards, screening, fencing, and lighting schemes.
- _____ For a sign permit include the location of the sign, schematic design, dimensions, and total sign area.
- _____ Any other information that may be required for review by the Administrator, or his/her designee, such as stormwater management plans, utility plans, landscaping plans, architectural elevations, and off-site improvements.

Site Plan and Planned Unit Development Applications

Please submit additional pages describing the proposed uses and site design. This should include information about the hours of operation, number of employees and clients, type of programming or services, traffic expected to be generated, use of landscaping/buffering when applied, a development schedule, and any other information showing compatibility between the proposed development, surrounding land uses (existing or planned), and the natural environment.
