

**RESOLUTION NO. 123-25**

**A RESOLUTION APPROVING THE DYERSVILLE UTILITY RATE STUDY  
2025 REPORT**

WHEREAS, the City of Dyersville is responsible for providing essential water, sewer, and solid waste utility services to its residents and businesses; and,

WHEREAS, the Mayor and City Council directed the City Administrator to conduct a comprehensive utility rate study to evaluate the financial health and long-term sustainability of the City's water, sewer, and solid waste systems; and,

WHEREAS, the Dyersville Utility Rate Study 2025 Report ("the Report") was completed using the RCAP Formulate Great Rates model, analyzing historical and projected revenues, expenses, and reserve balances for each utility system; and,

WHEREAS, the Report recommends the following rate adjustments, effective with the first billing cycle of Fiscal Year 2026, to restore financial stability and ensure fair and equitable cost distribution among customers; and,

WHEREAS, the City Council has reviewed the findings and recommendations of the Report and finds it to be in the best interest of the City and its residents to approve the Report and implement the recommended rate adjustments; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DYERSVILLE, IOWA:

Section 1. The Dyersville Utility Rate Study 2025 Report is hereby approved and adopted as the official rate study for the City's water, sewer, and solid waste utilities.

Section 2. The City Administrator is directed to prepare the necessary ordinances with the recommended rate adjustments as outlined in the report for City Council review and consideration.

Section 3. The City Administrator is further directed to review utility rates annually during the budget process and to provide the City Council with updated recommendations as needed to ensure the continued financial health and sustainability of the City's utility systems.

PASSED AND APPROVED this 17th day of November, 2025.
