

## MEMORANDUM

TO: Honorable Mayor and City Council  
Mick Michel, City Administrator  
John Wandsnider, P.E., Public Works Director

FROM: Mike Shimkus, P.E.

DATE: July 12, 2023

RE: Bridge Deck Overlay – 1<sup>st</sup> Avenue over Bear  
Creek Improvements – Bid Results

The City of Dyersville received bids for the Bridge Deck Overlay – 1<sup>st</sup> Avenue over Bear Creek project on July 11, 2023. The construction cost opinion was \$465,000.00. The low bid was from Taylor Construction in the amount of \$555,992.48.

The City received 5 bids for the project ranging up to \$613,235.30. The fact that the bids had a relatively small variance indicates that the bidders all had a similar understanding of the project scope. Our conclusion is the project scope provided a competitive bidding atmosphere with adequate competition.

WHKS will work with the City and Contractor to identify possible minor modifications to reduce overall project costs.

### **Conclusion**

WHKS recommends award of the project to the low bidder (Taylor Construction).
