Hi Sandy,

I wanted to let you know that I won't be able to attend tonight's meeting. I also received the notice that my term is ending, and I've decided not to seek another term. With our kids becoming more involved in activities, I'll be dedicating more time to supporting those programs.

It's been a pleasure serving on the committee, and I'll miss being part of the discussions around the programs and initiatives Dyersville is developing. Keep up the great work!

If there's anything further you need from me, please don't hesitate to reach out.

Thanks,  
Nathan Huebner
