COUNCIL DECISION		
ADMINISTRATIVE		

REQUEST: The Administration is requesting the Town Council to approve a Memorandum of Agreement entered into by and between the County and Town for Geographic Information System Services (G.I.S.).

SUMMARY: The Town of Eatonville is requesting GIS assistance and support for two planning maps, 1) Zoning Map 2) Future Land Use Map. The town is approximately 1 square mile (including lakes) with a population of under 2,500 and is need of Orange County's support to house and update the Town's GIS information. The administration recognizes the need for our planning department's access to an efficient electronic method of reviewing data. This program will improve staff proficiency and level of service for our community with plans expanding to infrastructure and signage. Having this system is certainly a move in the right direction.

RECOMMENDATION: The Administration is requesting the Town Council to approve a Memorandum of Agreement entered into by and between the County and Town for Geographic Information System Services (G.I.S.).
