REQUEST: Request the reading of Proclamation for National Public Works Week Proclamation

SUMMARY: Public works professionals focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities and to public health, high quality of life, and well-being of the people of The Historic Town of Eatonville, Florida. These infrastructure, facilities, and services could not be provided without the dedicated efforts of public works professionals, who are engineers, managers, and employees at all levels of government and the private sector, who are responsible for rebuilding, improving, and protecting our nation's transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens. It is in the public interest for the citizens, civic leaders, and children in the Historic Town of Eatonville to gain knowledge of and maintain an ongoing interest and understanding of the importance of public works and public works programs in their respective communities.

RECOMMENDATION: Recommend the reading of Proclamation for National Public Works Week Proclamation
