REQUEST: To discuss a Water Crisis Plan

SUMMARY: The Town of Eatonville need to visit having a water crisis plan due to unexpected activities/incident that may arise. It is important to develop a short-term water crisis response plan that will better serve and assist the residents and business of the Town o Eatonville. A water crisis can be situational in which water supply is inadequate to meet demands of our community. There are many causes that lead to a water crisis beyond what we have experienced through the various water breaks such as, wastewater, contamination, dysfunctional water and pumping equipment, and unexpected power outage that may disrupt services. To discuss an effective water crisis plan, will ensure that we can address the needs and meets demands due to emergency that may be beyond our control.

RECOMMENDATION: The recommendation is for Town Council to discuss a Water Crisis Plan.
