Biographical Sketch

I have been a resident of Eatonville since 1990. I consider Eatonville to be home. Currently, I maintain an artist studio here, where I work and spend time almost daily. I am a graduate of Tuskegee (Institute) University. I worked in Human Services for thirty years, in other parts of the country, as well as Florida. I retired from social work in 2004.

I have been active as a visual artist in the greater Central Florida Area. I was graced to have a one woman show in Eatonville, where I was dubbed "The Eatonville Artist". In 2017, I curated an exhibit in TownHall along with 4 other artists.

In 2006, I was appointed to the Eatonville Preservation Board and participated until 2008. I welcome the opportunity to revisit that board, and participate in everyway that I can. As a mature member of the community, I believe that I can contribute a wealth of experience and information, not only historically, but also artistically. My effort will be to support and encourage young adults and the Youth in the community, to claim ownership of the town, our future depends on it.
