You are hereby notified, the property located at **613 WIGMAN DRIVE, EATONVILLE, FL 32751** is in violation of the provision of the Town of Eatonville Code of Ordinances set forth above. Specifically, in **Sec. 18-203. - Definitions. Abandoned, inoperative or discarded motor vehicle** means a motor vehicle which is in a state of disuse, neglect or abandonment. Evidence may include, but is not limited to, factors such as, the vehicle being wrecked and inoperative, inoperative as evidenced by vegetation underneath as high as the vehicle body or frame; refuse or debris collected underneath or the vehicle being used for storage purposes; if it is partially dismantled, having no engine, transmission, or other major and visible parts, having major and visible parts which are dismantled, being jacked up with no tire, and or brake pad/rotor; incapable of functioning as a motor vehicle in its present state; and has only nominal salvage value, does not have current license plate and validation sticker, or being in any physical state rendering it inoperative. If the primary apparent evidence of neglect, inoperativeness or abandonment is the lack of a valid tag or vegetation growing under the vehicle, then the enforcement officer shall use his training and experience to determine whether, under the totality of the circumstances, the vehicle is in a state of evident disuses, inoperativeness, neglect, or abandonment or derelict if it is in an evident state of extended disuse or neglect. **Carport** means an open-sided structure which is used solely for the parking of motor vehicles which belong to the occupants of the principal building. **Inoperative motor vehicle** means a motor vehicle which has not been operable for a period of at least 30 days. **Motor vehicle** means any vehicle which is self-propelled. **Standard cover** means a nontransparent cover which is designed, manufactured and intended to be used exclusively for the purpose of fitting over the type of motor vehicle in question. **Wrecked motor vehicle** means a motor vehicle which is in a state of ruin or dilapidation or in a condition of broken, disrupted, and disordered parts. **Sec. 18-229. - Certain motor vehicles required to be parked in garage.** No wrecked, discarded, dismantled, partly dismantled, inoperative, abandoned, or severely rusted motor vehicle may be parked on residentially zoned private property, unless it is either parked inside a completely enclosed garage or parked completely within a carport and cover. **Sec. 18-230. - Cover requirements of motor vehicles.** Any motor vehicle which is parked on residentially zoned, private property and which is covered shall be covered with nothing other than a standard cover unless it is parked inside a completely enclosed garage. **Sec. 18-231. - Visual**
