Greetings Mrs.King,

Please see below for a short Bio/ Resume.

As a proud 4th generation Eatonvillian, I have a deep rooted connection to the town and a strong commitment to preserving its rich cultural and historical legacy. Having been raised in Eatonville, I understand firsthand the importance of protecting the stories, landmarks, and traditions that make our community unique.

I am a U.S. Air Force veteran, an entrepreneur with more than a decade of experience, and a professional project manager. My work and travels have taken me to over 30 countries, where I have lived and worked in 10, giving me a global perspective on the importance of preserving historic communities and cultural identity. As a worldschooling mother, I place a high value on history, education, and passing meaningful heritage on to the next generation.

Eatonville holds a special place in my heart, and I am passionate about ensuring that its historic charm and significance are preserved for future generations. I would be honored to contribute my perspective, dedication, and organizational experience to the Historic Preservation Board to help protect and celebrate the town's legacy.

Respectfully,

Tiffany Simmons
