ARTICLE III – RESERVED.

ARTICLE IV - PROJECT INFORMATION

4.01. PROJECT CHANGES.

After the Department's environmental review has been completed, the Local Government shall promptly notify the Department, in writing, of any Project change that would require a modification to the environmental information document.

Project changes prior to bid opening shall be made by addendum to plans and specifications. Changes after bid opening shall be made by change order. The Local Government shall submit all addenda and all change orders to the Department for an eligibility determination. After execution of all construction, equipment and materials contracts, the Project contingency may be reduced.

4.02. TITLE TO PROJECT SITE.

The Local Government shall have an interest in real property or necessary approvals sufficient for the construction and location of the Project free and clear of liens and encumbrances which would impair the usefulness of such sites for the intended use. The Authorized Representative shall submit a clear site title certification by the date set forth in Section 10.07 of this Agreement.

4.03. PERMITS AND APPROVALS.

The Local Government shall have obtained, prior to the Department's authorization to award construction contracts, all permits and approvals required for construction of the Project or portion of the Project funded under this Agreement.

4.05. PROHIBITION AGAINST ENCUMBRANCES.

The Local Government is prohibited from selling, leasing, or disposing of any part of the Utility System which would materially reduce operational integrity or Gross Revenues so long as this Agreement, including any amendment thereto, is in effect unless the written consent of the Department is first secured. The Local Government may be required to reimburse the Department for the Principal Forgiveness funded cost of any such part, taking into consideration any increase or decrease in value.

4.06. COMPLETION MONEYS.

In addition to the proceeds of this Loan, the Local Government covenants that it has obtained, or will obtain, sufficient moneys from other sources to complete construction and place the Project in operation on, or prior to, the date specified in Article X. Failure of the Department to approve additional financing shall not constitute a waiver of the Local Government's covenants to complete and place the Project in operation.

4.07. CLOSE-OUT.

The Department shall conduct a final inspection of the Project and Project records. Following the inspection, deadlines for submitting additional disbursement requests, if any, shall be established, along with deadlines for uncompleted Loan or Principal Forgiveness requirements, if any. Deadlines shall be incorporated into the Loan Agreement by amendment. The Loan principal shall be reduced by any excess over the amount required to pay all approved costs. As a result of such adjustment, the Semiannual Loan Payment shall be reduced accordingly, as addressed in Section 10.05.

4.08. LOAN DISBURSEMENTS.

This Agreement allows for funds to be advanced to the Local Government for allowable invoiced costs, under the provisions of 216.181, Florida Statutes. In addition to the invoices for costs incurred, proof of payment will be required with the following disbursement request.

Such requests must be accompanied by sufficiently itemized summaries of the materials, labor, or services to identify the nature of the work performed; the cost or charges for such work; and the person providing the service or performing the work.
- (2) A certification signed by the Authorized Representative as to the current estimated costs of the Project; that the materials, labor, or services represented by the invoice have been satisfactorily purchased, performed, or received and applied to the project; that all funds received to date have been applied toward completing the Project; and that under the terms and provisions of the contracts, the Local Government is required to make such payments.
- (3) A certification by the engineer responsible for overseeing construction stating that equipment, materials, labor and services represented by the construction invoices have been satisfactorily purchased, or received, and applied to the Project in accordance with construction contract documents; stating that payment is in accordance with construction contract provisions; stating that construction, up to the point of the requisition, is in compliance with the contract documents; and identifying all additions or deletions to the Project which have altered the

Project's performance standards, scope, or purpose since the issue of the Department construction permit.

(4) Such other certificates or documents by engineers, attorneys, accountants, contractors, or suppliers as may reasonably be required by the Department.

Requests by the Local Government for disbursements of the planning, design, or construction funds shall be made using the Department's disbursement request form. The Department may provide an advance to the Local Government, in accordance with Section 216.181(16)(b), Florida Statutes. Such advance will require written request from the Local Government, the Advance Payment Justification Form and approval from the State's Chief Financial Officer. The Local Government must temporarily invest the advanced funds, and return any interest income to the Department, within thirty (30) days of each calendar quarter. Interest earned must be returned to the Department within the timeframe identified above or invoices must be received within the same timeframe that shows the offset of the interest earned.

Unused funds, and interest accrued on any unused portion of advanced funds that have not been remitted to the Department, shall be returned to the Department within sixty (60) days of Agreement completion.

The parties hereto acknowledge that the State's Chief Financial Officer may identify additional requirements, which must be met in order for advance payment to be authorized. If the State's Chief Financial Officer imposes additional requirements, the Local Government shall be notified, in writing, by the Department regarding the additional requirements. Prior to releasing any advanced funds, the Local Government shall be required to provide a written acknowledgement to the Department of the Local Government's acceptance of the terms imposed by the State's Chief Financial Officer for release of the funds.

If advance payment is authorized, the Local Government shall be responsible for submitting the information requested in the Interest Earned Memorandum to the Department quarterly.
