**REQUEST:** For the Town Council to discuss the Summer Food Program and its funding amounts for year 2020, 2021, 2022, and 2023.

**SUMMARY:** The Town of Eatonville has participated in the Summer Food Service Program (SFSP) for many years. The Summer Food Service Program (SFSP) is a federally-funded, state-administered program. SFSP reimburses program operators who serve free healthy meals and snacks to children and teens in low-income areas. The Summer Food Service Program, also known as the Summer Meals Program, was established to ensure that children continue to receive nutritious meals when school is not in session. When school is out, SFSP provides free meals to kids and teens in low-income areas.

The Town was previously funded \$25,000 from the State to subsidize the summer food program. Further discussion is being requested on how the summer food program is being funded.

**RECOMMENDATION:** Form Town Council to discuss how the summer food program is being funded during the Town of Eatonville summer season.
