Subject: Interest in Serving on the Eatonville CRA Board and Board Appointment Application
Attachments: Board Application for TOECRA - AJohnson.pdf

Dear Town Clerk and Honorable Council Members,

I am writing to express my interest in serving on the Town of Eatonville Community Redevelopment Agency (CRA) Board.

I previously had the opportunity to serve on the CRA Advisory Board under the tenure of Mike Johnson as CRA Executive Director. During that time, I gained valuable insight into the redevelopment priorities and long-term vision for the Town of Eatonville and its CRA district.

Professionally, I bring more than 25 years of experience in governmental and utility accounting. My career has included working with the City of Orlando on the Millenia Community Redevelopment District project. In addition, I was responsible for compliance reporting related to CRA bonds with the City of Orlando as well as revenue bonds with the Orlando Utilities Commission. These experiences have given me a strong understanding of public finance, redevelopment funding structures, and the accountability required in managing public resources.

Since 2016, I have remained actively engaged in the Town of Eatonville's civic and redevelopment efforts. I have attended substantially all TOECRA Board meetings, Town Council workshops and Council meetings, stakeholder meetings, and community meetings, including those related to Action Planning and Master Planning initiatives. My continued participation reflects my deep interest in the responsible growth and revitalization of our community.

In addition, I previously served as President of the Catalina Park Neighborhood Community Group, where I worked with residents and local stakeholders to address neighborhood concerns and promote community involvement.

It is my understanding that with the recent election of Mayor-elect Ruthi Critton, her seat on the CRA Board will become vacant effective March 17, 2026, following the swearing-in ceremony. I would like to be considered for appointment to fill that vacancy.

I currently serve as a member of the Planning and Zoning Board. Taking this into consideration, I would respectfully tender my resignation from the Planning and Zoning Board contingent upon my appointment to the TOECRA Board.

I would be honored to bring my professional experience, institutional knowledge, and long-standing commitment to the community to the CRA Board. Thank you for your consideration, and I look forward to the opportunity to continue supporting the Town of Eatonville's redevelopment and economic vitality.

Respectfully,

--
