**REQUEST:** Administration is asking that the Town of Eatonville CRA board approves the appropriation of funds for the upgrade of the landscape and irrigation along Kennedy’s Mainstreet through Resolution 2023-23.

**SUMMARY:** The Community Redevelopment Agency’s primary focus is to remove slum and blight within its established district. The district of the Town of Eatonville’s CRA (TOECRA) coincides with the boundary of the town itself. These funds will improve the esthetics of the town’s main street corridor, thus beautifying the entry corridors as visitors and residents drive along Kennedy Blvd.
