Please share why you are interested in serving on this board?

Health is vital for all those residing in Effingham. I am an advocate and a voice for those with Intellectual/Developmental Disabilities/Autism and feel they should be represented.

What are your areas of expertise you feel would be beneficial to this organization?

As the parent of a 21 year old daughter with significant disabilities and working for 10 years as professional provider along with other provider agencies I understand the needs of a very vulnerable population
