

Staff Report

Subject: DeWitt Road Railroad crossing closure
Author: Eric Larson, Asst. County Manager
Department: Development Services
Meeting Date: February 15, 2022
Item Description: Approve a railroad crossing closure at DeWitt Road.

Summary Recommendation:

The County desires to create a new railroad crossing of the Norfolk Southern railroad to promote growth in the County. NSRR requires the commitment of the community to close an existing crossing per requirements of the Federal Railway Administration. This program aims to identify crossing locations that are considered to provide redundant access by vehicles where the crossing has lower traffic volumes. DeWitt Road crossing is skewed and lacks active warning systems. Alternative access via Shawnee Road is less than ½ mile away and has active warning devices. Therefore, the railroad crossing at DeWitt Road is recommended for consideration for closure.

Executive Summary/Background:

- The County desired to consider closing the crossing on DeWitt Road and publicly announced on January 4th the intent to close.
- The County Board of Commissioners conducted a public comment period from January 4, 2022 to February 3, 2022. No comments were received.
- The County Board of Commissioners will conduct a public hearing and consider a motion to close the crossing at the February 15, 2022 regularly scheduled Commission meeting.
