**Note 1: Potential mitigation credits that have not been released for sale will only be considered "available" at the discretion of the Corps.**

**Note 2: If the purchase of available credits identified in this statement of credit availability cannot be finalized by either party (Banker or Applicant), the Applicant will need to immediately coordinate with the Corps to ensure that an alternative compensatory mitigation plan is proposed to offset project impacts.**

**Note 3: If credits are being purchased from multiple mitigation banks, then a Statement of Credit Availability is required from each mitigation bank.**
