

## Staff Report

**Subject:** Approval of Georgia Power Lighting Services Agreement – SR30 / Midland Road Roundabout

**Author:** Brooke Sutherland, Engineering Project Coordinator

**Department:** Procurement, Engineering

**Meeting Date:** June 16<sup>th</sup>, 2026

**Item Description:** Consideration to approve the Georgia Power Lighting Services Agreement for roadway lighting improvements at the SR30 and Midland Road Roundabout.

**Summary Recommendation:** Staff recommends approval of the Lighting Services Agreement with Georgia Power for installation and operation of LED roadway lighting at the SR30 and Midland Road Roundabout.

### **Executive Summary / Background:**

Georgia Power submitted a Lighting Services Agreement for the installation of fourteen (14) 50-watt LED roadway fixtures at the SR30 and Midland Road Roundabout. The project is intended to improve night-time visibility and traffic safety within the roundabout corridor.

Under the agreement, Georgia Power will install, own, operate, and maintain the lighting infrastructure and provide electrical service for the site. The County will be responsible for the required pre-payment of \$87,827.00 and recurring monthly service costs estimated at \$299.60.

After the initial term, this Agreement automatically renews on a month-to-month basis until terminated by either party by providing written notice and at least 30 calendar days before the desired termination date.

Alternatives for Commission to Consider:
