

Staff Report

Subject: Approval of Additional Work Proposal for McLendon Enterprises for the TSPLOST - Maintenance Resurfacing 2025 - D3, D4, & D5 project.

Author: Jonathan Hulme, County Engineer

Department: Engineering

Meeting Date: June 16, 2026

Item Description: Consideration to approve the Additional Work Proposal for McLendon Enterprises, Inc. for roadway resurfacing and associated improvements under the TSPLOST - Maintenance Resurfacing 2025 - D3, D4, & D5 project.

Summary Recommendation: Staff recommends approval of the Additional Work Proposal from McLendon Enterprises, Inc. in the amount of **\$2,227,901.91** for roadway resurfacing and associated improvements under the TSPLOST - Maintenance Resurfacing 2025 - D3, D4, & D5 project.

Executive Summary / Background:

McLendon Enterprises, Inc. submitted a proposal to perform additional roadway improvement work associated with the TSPLOST - Maintenance Resurfacing 2025 - D3, D4, & D5 project.

The proposed work includes traffic control, grading, asphalt patching, asphalt leveling, asphalt resurfacing, milling, pavement markings, roadway signage, raised pavement markers, and turf establishment on various county roadways.

The project is intended to improve roadway conditions, enhance traffic safety, and preserve transportation infrastructure throughout the affected districts. The proposed improvements will address pavement deficiencies, improve roadway visibility through updated striping and signage, and extend the service life of existing roadways.

McLendon Enterprises has provided a total proposal amount of **\$2,227,901.91** for the completion of the identified work.

Alternatives for Commission to Consider:

1. Approve the Additional Work Proposal
2. Do not approve
3. Provide staff with direction

Recommended Alternative: 1

Other Alternatives: 2, 3

Department Review: Engineering

Funding Source: TSPLOST 2025
