Subject: Approval of Georgia Power Lighting Services Agreement for the Central High School Construction Project

Author: Lauren Shuman, Engineering Project Coordinator

Department: Procurement, Engineering

Meeting Date: June 16th, 2026

Item Description: Consideration to approve the Georgia Power Lighting Services Agreement for lighting improvements at Central High School, located at 434 Wallace Drive, Springfield, GA.

Summary Recommendation: Staff recommends approval of the Lighting Services Agreement with Georgia Power for installation and operation of LED lighting at the Central High School site.

Executive Summary / Background:

Georgia Power submitted a Lighting Services Agreement for installation of twenty (20) 180-watt LED roadway fixtures at the Central School property. The lighting improvements are intended to improve site visibility, traffic circulation, and public safety.

Under the agreement, Georgia Power will install, own, operate, and maintain the lighting infrastructure and provide electrical service for the site. The County will be responsible for the required pre-payment of \$88,647.00 and recurring monthly service costs estimated at \$829.00

After the initial term, this Agreement automatically renews on a month-to-month basis until terminated by either party by providing written notice and at least 30 calendar days before the desired termination date.

Alternatives for Commission to Consider:

1. Approve the Lighting Services Agreement
2. Do not approve
3. Provide staff with direction
