

Staff Report

Subject: GDOT Effingham County Maintenance Plan for Project Maintenance Agreement SR30 Midland Rd RAB

Author: Jonathan Hulme, PE County Engineer

Department: Engineering

Meeting Date: August 5th, 2025

Item Description: GDOT Effingham County Maintenance Plan for Project Maintenance Agreement SR30 Midland Rd RAB

Summary Recommendation:

Agreement between GDOT & Effingham County that Effingham County will maintain landscaping, pest control, lighting and sidewalks for proposed roundabout at SR30 Midland Rd RAB.

Executive Summary/Background:

Effingham County is planning a roundabout at the intersection of SR 30 and Midland Road to improve traffic flow and safety, especially in light of nearby development. Coordination with GDOT is underway, including agreements for intersection lighting. The roundabout will reduce crash risks, improve vehicle movement, and support long-term transportation goals. This agreement between GDOT & Effingham County that Effingham County will maintain landscaping, pest control, lighting and sidewalks for proposed roundabout at SR30 Midland Rd RAB.
