Subject: Approval of Old Augusta Rd/Northgate Roundabout Lighting Agreement with Georgia Power

Author: Danielle Carver, Procurement and Capital Projects Manager

Department: Public Works

Meeting Date: October 1, 2024

Item Description: Approval of a Lighting Services Agreement with Georgia Power for the installation of lighting at the Old Augusta Road/Northgate Roundabout as part of ongoing road improvements.

Summary Recommendation: Staff recommends the approval of the Lighting Services Agreement with Georgia Power for the installation of lighting at the Old Augusta Road Roundabout.

Executive Summary/Background: The Old Augusta Road improvements include the construction of a roundabout near North Gate, where lighting is required for safety and visibility. This agreement outlines the installation of 23 LED lights, with Georgia Power providing and maintaining the lighting infrastructure. The total cost of the project includes an upfront payment of \$65,481, with monthly service fees of \$515.20 covering regulated and service costs.

The lighting design was reviewed by Kimley-Horn engineers, who confirmed that no conflicts exist with other proposed features. The project aims to improve road safety and visibility, particularly during nighttime conditions, ensuring compliance with both county and state safety standards.

Alternatives for Commission to Consider

1. Approve the Lighting Services Agreement with Georgia Power.
2. Disapprove the agreement and provide staff with alternative direction.
