### Executive Summary/Background

- The request for rezoning is a requirement of Appendix C, Article IX-Amendments to Map or Text, Section 9. Zoning districts are described in Appendix C, Article V-Uses Permitted in Districts.
- Retail businesses are a permitted use in the B-2 General Commercial District. B-2 is compatible with the surrounding area, which includes rural, low-density residential development, and an existing convenience store (B-3) across Shawnee Road.
- The property has frontage on Hwy 21, a commercial corridor. Driveway access will be on Shawnee Road.
- The proposed development will be 10,640 sf store, and will be served by private well and septic system.
- A 30' vegetative buffer is required between AR and B districts; a 15' buffer is required between B districts.
- Staff met with the applicant via Zoom on 6/27/2022 and 1/9/2023, and discussed buffers and fencing, stormwater management, building location and materials, access management, and the sketch plan process.
- At the April 11 Planning Board meeting, Mr. Alan Zipperer made a motion for approval, with the following conditions:
  1. A Sketch Plan must be submitted for approval before site development plans are submitted.
  2. A recombination plat must be approved by Development Services, and be recorded, before site development plans are submitted.
  3. Site development plans must comply with the Effingham County Water Resources Protection Ordinance, the Stormwater Management Local Design Manual, and **Chapter 34 - Flood Damage Prevention**.
  4. Site development plans must meet the requirements of the B-2 zoning district.
