Dear Effingham County Board of Commissioners,

The final draft of the Effingham County Board of Commissioners budget for the fiscal year beginning July 1, 2022 and continuing through June 30, 2023 is attached. The county is growing, and the digest is increasing. Digest growth is driven not only by reassessments of existing properties but by significant amounts of new construction, as well. The economic outlook for 2022-2023 is characterized by strong growth but tempered by concerns about the global economic climate. The budget we propose for the coming year continues to promote operational efficiency while still addressing departmental requests. Prior year fund balance growth in the general fund has prompted us to be more assertive with our sales tax projections while still exercising caution in the face of economic uncertainty. The general fund revenues have experienced enough growth to attend to the needs of the growing County while meeting our significant obligation to the Joint Development Authority project using only a comparatively modest amount of fund balance.

Though the forecast is cautiously positive, budget creation has not been without challenges this year. Inflation has been a larger driver of budget decisions than in recent years, and will be closely monitored throughout the fiscal year for any needed amendments. As is expected this time of year, PT-32s are not yet finalized so preliminary digests were used to project property taxes. All other revenues are forecasted based on previous year trends and averages. This draft of the general fund budget is balanced at \$45,442,304 – a 11.98% increase over FY 2022 adopted budget, and an 8.14% increase excluding one-time capital expenditures.

The property digest continues to reflect a positive change from a net digest of \$1,528,720,160 in 2013 to an estimated \$2,682,262,651 in fall 2022. Considering the economic climate, the estimates for Local Option Sales Tax (LOST) and Special Purpose Local Option Sales Tax (SPLOST) have been budgeted at the six-month average.

The tax year 2021 millage rate was 7.337 for general fund county M&O and our rollback rate is currently calculated at 6.855 which may change with the updated digest calculations.

Revenue in the general fund includes functional revenue of \$7,312,358; property tax and TAVT revenue of \$22,849,172; LOST revenue of \$10,697,828; and other general revenues of \$4,582,945 which includes using \$2,872,133 of fund balance for capital expenditures.

SPLOST proceeds are anticipated at \$13,074,419 this year (before payments to the cities) and when coupled with existing funds on hand and the new SPLOST bond, will allow for funding of major building improvements, essential equipment such as fire and EMS apparatus and other necessary capital improvement projects.

Included is a net of twenty-six (26) new positions across all funds. This includes 15 new firefighter positions for the two new stations, four new paramedics for a new ambulance, and increases in part-time or full-time positions in the Probate Court, EMA, Facilities Maintenance, County Manager department, Information Technology, the Board of Equalization, Recreation, Parks & Landscapes, Development Services, and Senior Citizens. Five of these positions were added during FY 2022 and six positions were removed from the UGA Extension Office this year.

There are several items that I would like to draw special attention to in this budget:

- General fund budget is built around a reduced millage rate for county M&O. Full rollback used, no M&O tax increase
- Fully funding a new 24-hour ambulance staffed with the four new paramedics
- 15 new firefighters to staff the two new fire stations to be completed in FY 2023
- Public Information Officer funded
- Second half of the salary study is fully implemented
- Implementation of the up-to-5% one-time disbursement program
- All Sheriff's Office employees receiving at least a \$3.00 per hour increase
- Joint Development Authority project is funded at \$4 million
- Total capital projects are \$80.2 million
 - General Fund - \$5.2 million, includes JDA funding
 - American Rescue Plan Act funds - \$11.6 million
 - Special Tax District - \$607,000
 - Fire & Rescue - \$2.4 million
 - Development Services – \$68,000
 - SPLOST 2017 – \$11.9 million
 - SPLOST 2021 - \$22.4 million, includes bond funding
 - TSPLOST - \$22.2 million
 - Water Bond - \$3.2 million
 - Water & Sewer - \$395,000
 - WWTP - \$122,000

Effingham County Board of Commissioners

Though this letter focuses mostly on the general fund, we continue to work with enterprise funds to promote self-sufficient services. We also strive for this in other special funds, such as the Development Services fund and Fire & Rescue fund. Towards that end, staff is examining the current fee structures and soon will propose changes for Board consideration.

This FY 2023 recommended budget recognizes the strong economic growth experienced over the last 12 months while also exercising caution in light of the global economic climate. Combined with careful monitoring of the County's fiscal condition as we navigate inflationary challenges, this budget is a critical step to move our county forward towards our goals.

Sincerely,

Tim Callanan

County Manager

The County maintains many special revenue funds and four enterprise funds. Special revenues include revenues legally restricted to expenditures for special purposes. Enterprise funds consist of Water & Sewer, WWTP, Sanitation, and Dry Waste & Recycling Center, where user fees are intended to cover the cost of services. Project length budgeting is used for SPLOST and other capital. These are based upon our short term work program projects and their respective budgets. Funds for these projects are often subject to changes from year to year. Funding sources for the SPLOST projects come from both SPLOST, impact fees and funding from the Department of Transportation. The special tax district funds originate from franchise fees, payment in lieu of tax and state insurance premium contributions. Service delivery agreements added the Dry Waste & Recycling Center, Development Services, and Seniors Activity funds.

The County allocates specific funding towards the unincorporated area of the County. Referenced as a Special Tax District, this was a result of service delivery negotiations and agreements established in 2011 with the cities of Guyton, Rincon, and Springfield. Specific funding sources applied to the Special Tax District for the benefit of the unincorporated residents include state insurance premium allocations, franchise fees, and payments in lieu of tax. These funding sources are used to offset the cost of services that are for the direct benefit of the unincorporated area of the County only. As a result of the roads and recreation millage and beginning with the FY 2019 budget, the Public Works department and Recreation & Sports Management department were moved into the Special Tax District, and the Parks & Landscapes department was created.
