Rezoning Information

How many parcels are you rezoning?*

1

Present Zoning of Property*

AR-1 (Agricultural Residential 5 or More Acres)

Proposed Zoning of Property*

B-3 (Highway Commercial)

Map & Parcel *

0355A008A00

Road Name*

US HWY 80

Proposed Road Access* 

Existing driveway access from US Highway 80

Total Acres *

0.88

Acres to be Rezoned*

0.88

Lot Characteristics *

TWO CAR GARAGE

Water Connection *

Private Well

Sewer Connection*

Private Septic System

Justification for Rezoning Amendment *

The requested rezoning amendment is being sought to allow the property to be utilized for appropriate commercial and business purposes. The property's location along US Highway 80 provides accessibility and visibility suitable for commercial development. The proposed B-2 General Commercial zoning will allow the property to be utilized in a manner consistent with the surrounding area and commercial growth along the Highway 80 corridor.

List the zoning of the other property in the vicinity of the property you wish to rezone:

North*

Commerical

South*

Commercial

East*

Commerical

West*

Commerical

Describe the current use of the property you wish to rezone.*

The property is currently residential in character and contains an existing two-car garage. The property is currently not being utilized for commercial purposes

Does the property you wish to rezone have a reasonable economic use as it is currently zoned?*

Yes. The property has a reasonable economic use under its current zoning classification; however, its location along US Highway 80, accessibility, and visibility make it well suited for appropriate commercial development. The requested B-2 General Commercial zoning would allow the property to be utilized in a manner that is more consistent with the surrounding development and the character of the Highway 80 corridor.

Describe the use that you propose to make of the land after rezoning.*

The property will be utilized for permitted commercial and business purposes consistent with the requirements and permitted uses of the B-2 General Commercial zoning district. Any future development or use of the property will comply with applicable Effingham County zoning, development, and permitting requirements.

Describe the uses of the other property in the vicinity of the property you wish to rezone?*

The surrounding properties in the vicinity consist primarily of commercial and residential uses, along with undeveloped property. The area includes existing businesses and development associated with the US Highway 80 corridor

Describe how your rezoning proposal will allow a use that is suitable in view of the uses and development of adjacent and nearby property?*

The proposed rezoning to B-2 General Commercial will allow the property to be utilized for commercial and business purposes that are suitable given its location along US Highway 80. The property's accessibility, visibility, and proximity to existing commercial development make it appropriate for commercial zoning. The requested rezoning is consistent with the development pattern of the surrounding area and will allow the property to be used in a manner compatible with adjacent and nearby properties

Will the proposed zoning change result in a use of the property, which could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools?*

No. The proposed zoning change is not expected to result in an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools. The property is located along US Highway 80, which provides appropriate access for commercial development. Any future use of the property will be required to comply with applicable county development, utility, and traffic requirements

This map displays a grid of land parcels in the City of St. Louis, Missouri. The parcels are color-coded and labeled with addresses. Major roads shown include United States Highway 80, Zeigler Road, Thompson Street, and Pine View Drive. The parcels are organized into several groups:

- Top Left Group (Pink/Purple):** Includes parcels 378B-1 through 378B-74, mostly along Clearview Road.
- Middle Left Group (Green/Yellow):** Includes parcels 355A-1C through 355A-9A, mostly along Zeigler Road.
- Bottom Left Group (Blue/Green):** Includes parcels 378-1 through 378-6 and 378-14 through 378-25, mostly along United States Highway 80.
- Right Side Group (Blue/Green):** Includes parcels 378C-1 through 378C-4, mostly along United States Highway 80.

The map also shows numerous smaller lots and individual addresses scattered throughout the area, providing a comprehensive view of the local land ownership and infrastructure.
