

## Staff Report

**Subject:** 2<sup>nd</sup> Reading Zoning Map Amendment

**Author:** Teresa Concannon, AICP, Planning Manager

**Department:** Development Services

**Meeting Date:** January 3, 2023

**Item Description:** **Cindy Howze** as Agent for **Ansgarhay, LLC** requests to **rezone** 72.15 acres from **AR-1** to **I-1**, to allow for future industrial use. Located at 108 Godley Road. **Map# 419 Parcel# 1A**

### Summary Recommendation

Staff has reviewed the application, and recommends **denial** of the request to **rezone** 72.15 acres from **AR-1** to **I-1**, to allow for future industrial use.

### Executive Summary/Background

- The request for rezoning is a requirement of Appendix C, Article IX-Amendments to Map or Text, Section 9. Zoning districts are described in Appendix C, Article V-Uses Permitted in Districts.
- This rezoning application was not referred for regional review, as no proposed use or site plan was submitted, and the acreage is below the threshold requiring a regional review for industrial rezoning.
- Other I-1 zoned parcels in the area have been rezoned for use as surface mines accessing Godley Road. An 8-acre portion of this property was rezoned to I-1 for use as a surface mine in November 2020.
- This parcel is partially located in Chatham County (Port Wentworth). Port Wentworth submitted a letter certifying that the portion in their jurisdiction is zoned for surface mining.
- No concept plan has been submitted. The parcel has no direct access to Godley Road in Effingham County. 399A-4 is also owned by the applicant, and has been used in the past as access for 419-1A.
- 399A-4 is zoned AR-2, and is not part of this application.
- According to the Future Land Use map, the area is proposed for residential and agricultural use.
- The Effingham County portions of the parent parcel are narrow, and would be substantially covered by 300' buffers if the proposed use is I-1 heavy industrial. In the absence of a development plan, we cannot determine whether there is adequate space for an industrial use, or if Effingham roads are impacted.
- Godley Road is not a designated truck route. In recent months, the City of Bloomingdale has submitted letters of opposition to rezoning and sketch plan applications for heavy industrial uses on Godley Road.
- Road improvements, road maintenance agreements, and/or bonds may be necessary to address the concerns of all affected jurisdictions.
- At the August 15, 2022 Planning Board meeting, Ryan Thompson made a motion to **deny** the request to rezone 72.15 acres from **AR-1** to **I-1**. The motion was seconded by Alan Zipperer, and approved by four members. Dave Burns opposed.
- At the September 6 meeting, the Board postponed this item until November 1. At the November 1 meeting, the Board postponed this item until December 6, to allow time for the submittal of a concept plan.
- At the December 6, 2022 meeting, the Board approved the request, and revised the conditions.
