Hey Chris,  
Great meeting with you a few weeks back. I hope you had a nice Christmas.

Just want to give you a quick update-  
We are working on two options for you one Layer 2 with the adjustments you mentioned and the other option a full layer 3 network with the functionality that Brendan demonstrated over the web conference.

Please let me know if you have the sites you'd like to have increased to 50mb or 100mb and we will incorporate these into both options.

We look forward to getting back in front of you soon!

Happy new year!
