

Staff Report

Subject: Approval of Utility Easement Agreement with Oglethorpe Power Corporation

Author: Alison Bruton, Procurement and Capital Projects Manager

Department: Engineering/Water/Sewer

Meeting Date: May 21, 2024

Item Description: Utility Easement Agreement with Diamond Concrete Products, LLC

Summary Recommendation: Staff recommends approval of the Utility Easement Agreement with Oglethorpe Power Corporation

Executive Summary/Background:

- Due to the impending construction of the new sanitary sewer force main along Hodgeville Road, a 45' utility easement was needed along the Diamond Concrete property.
- This agreement was drafted by the County Attorney.

Alternatives for Commission to Consider

1. Approval of Utility Easement Agreement with Oglethorpe Power Corporation
2. Take no action.

Recommended Alternative: 1

Other Alternatives: 2

Department Review: County Attorney, County Engineer, PCPM, T&H, EMC (engineer on project)

Funding Source: none for this agreement
