

Staff Report

Subject: Approval of the Revised Old Augusta Rd/Northgate Roundabout Lighting Agreement with Georgia Power

Author: Danielle Carver, Procurement and Capital Projects Manager

Department: Public Works

Meeting Date: December 3, 2024

Item Description: Consideration to approve the revised Lighting Services Agreement with Georgia Power for the installation of lighting at the Old Augusta Road/Northgate Roundabout

Summary Recommendation: Staff recommends the approval of the revised Lighting Services Agreement with Georgia Power for the installation of lighting at the Old Augusta Road Roundabout.

Executive Summary/Background:

The original agreement and plan included the installation of 23 LED lights with the cost including an upfront payment of \$65,481, with monthly service fees of \$515.20.

The plan had to be updated and now only requires 19 LED lights so the new proposed upfront cost is \$65,481, with monthly service fees of \$488.49.

The lighting design was reviewed by Kimley-Horn engineers, who confirmed that no conflicts exist with other proposed features. The project aims to improve road safety and visibility, particularly during nighttime conditions, ensuring compliance with both county and state safety standards.

Alternatives for Commission to Consider

1. Approve the Revised Lighting Services Agreement with Georgia Power.
2. Do not approve and suggest alternatives.

Recommended Alternative: 1

Other Alternatives: 2

Department Review: County Manager, County Engineer, and Finance
