**Subject:** 2<sup>nd</sup> reading – Zoning Map Amendment  
**Author:** Chelsie Fernald, Planning Manager  
**Department:** Development Services  
**Meeting Date:** August 5, 2025

**Item Description:** **Jefferson Martin** requests to **rezone** +/- 3.125 acres from **AR-1 to AR-2** to allow for permitted uses in AR-2. Located at 1358 Springfield-Egypt Road. **Map# 341 Parcel# 16** in the **Third District**.

### Executive Summary/Background

- The rezoning request is a requirement of Appendix C, Article IX-Amendments to Map or Text, Section 9. Zoning districts are described in Appendix C, Article V-Uses Permitted in Districts.
- Initially the applicant was requesting to rezone +/- 13.4 acres to AR-2. However, the applicant has amended the application to rezone only 3.125 acres to AR-2, as the other lots will exceed 5 acres.
- Since the applicant would like to subdivide the parcels, which will be less than 5 acres, they will need to be rezoned to AR-2.
- Per the application, the applicant would like to subdivide the parcel into four lots; other AR-2 zoned parcels are nearby.
- Per the Effingham County Table of Permitted Uses, the following are permitted by right uses in AR-2 zoning:
  - *Single Family Detached*
  - *One-Additional Single Family Detached Dwelling*

- Highway 21 is a state-maintained road and Springfield-Egypt Road is a county-maintained road.
- This proposal aligns with Chapter 2 of the Comprehensive Plan: Needs and Opportunities, which expresses a need to encourage affordable housing where reasonable by permitting increased residential density and a greater variety of residential options. Along with the need to increase the housing stock to meet the demands of future population growth.
- The Future Land Use Map (FLUM) projects this parcel as Agricultural.
- At the July 8, 2025, Planning Board Meeting, Mr. Walter Boykin motioned for approval with the following condition:
  - That the subdivision shall only be no more than four (4) lots.
- Mr. Jake Patrick seconded the motion, and it carried unanimously.
- At the August 5, 2025, Board of Commissioners meeting, Commissioner Jamie Deloach motioned for approval with the following condition:
  - The subdivision shall be no more than three (3) lots.
