WITNESSETH:

WHEREAS, Grantor is the fee owner of certain land located off of Ebenezer Road, Effingham County, Georgia, designated as 52.736 acres, more or less, as shown on that certain map or plan made by William H. Gray, Jr. GA. P.L.S. No. LS003235, dated November 8, 2018, recorded in Plat Book 28, Page 422 in the records of the Clerk of the Superior Court of Effingham County, Georgia, attached here to as Exhibit A and made a part hereof by this reference (hereinafter referred to as the "Grantor's Property"); and

WHEREAS, Grantor and Grantee desire to enter into this Agreement granting Grantee the right to use and exercise all rights in and to the utility easements as shown on that certain map or plat entitled "_____ " prepared by _____ and recorded in Plat Cabinet _____, Page _____ in the records of the Clerk of Superior Court of Effingham County, attached hereto as Exhibit B and made a part hereof by this reference (hereinafter referred to as "Easement Premises"); and

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged under seal, Grantor hereby grants to Grantee and its lessees, licensees, successors, and assigns, the perpetual right and easement as described in Section 2 below in, under, through, over, across, and upon the Grantor's Land, as follows:

1. Recitals. The above preamble and recitals are hereby incorporated as if restated verbatim.

2. Utility Easement.

a. Grant of the Easement. Grantor does hereby grant, bargain, sell and convey unto Grantee, its lessees, licensees, successors, and assigns, and creates and establishes for the benefit of Grantee and its lessees, licensees, successors and assigns, a perpetual, appurtenant, non-exclusive utility easement (the "Easement"). Said Easement is shown on that certain map or plat entitled "_____ " prepared by _____ and recorded in Plat Cabinet _____, Page _____ in the records of the Clerk of Superior Court of Effingham County, attached hereto as Exhibit B and incorporated herein by reference, to have and to hold, unto Grantee, its lessees, licensees, successors and assigns, forever.

b. Nature and Purpose. The Easement is for the purpose of providing water and sewer services and/or other utilities across the Grantor's Property and shall now and forever encumber and run with the Grantor's Property. The Easement is for the use and benefit of Grantee and its lessees, licensees, successors, and assigns, as well as their contractors, employees, agents, vendors, guests, licensees and invitees.

c. Rights and Privileges Conferred by Easement.

i. Grantee shall have the right of ingress and egress to the easement, to construct, reconstruct, relocate, extend, repair, replace, maintain, operate, and inspect to the extent Grantee considers desirable, lines, pipes, and any other necessary or desirable appurtenances to and/or for a utility system and/or utility facilities necessary for the provision of water and sewer services to the Rain Dance Subdivision (collectively, the "Facilities"). The Facilities shall not include any storm water drainage system installed by Effingham County.

Grantee shall also have the right to take any other action it considers necessary for the proper maintenance and operation of the Facilities.

- ii. Grantee shall have the right to abandon or remove the Facilities at its pleasure, to maintain or improve the Facilities by any means, whether now existing or hereafter devised, for public or private use, in, upon, over, under, and across the Easement Premises and the roadways abutting or running through the Easement Premises, and to renew, replace, add to, and otherwise change the Facilities and each and every part thereof and the location thereof within the Easement Premises, and utilize the Facilities within the Easement Premises for the purpose of providing water and sewer services and/or other utilities.
- iii. Grantee shall have the right, but not the obligation, to clear and keep cleared, by physical, chemical, or other means, the Easement Premises of any and all trees, vegetation, roots, aboveground or belowground structures, improvements, or other obstructions and trim and/or remove other trees, roots, and vegetation adjacent to the Easement Premises that interfere with Grantee's use of the Easement Premises. The clearing area adjacent to the Easement shall be equal to the full width of the easement at each point in the Easement. For example, where the Easement is 20 feet wide, the clearing area shall be 20 feet on each side of the Easement, measured from the edge of the Easement facing that side of the clearing area. Where the Easement is 15 feet wide, the clearing area shall be 15 feet on each side of the Easement, measured from each edge of the Easement facing that side of the clearing area.
- iv. Grantee shall have the right, but not the obligation, to cut, remove and dispose of dead, diseased, weak or leaning trees (hereinafter referred to as "danger trees") on lands of the Grantor adjacent to the Easement Premises but outside the clearing area which in Grantee's sole opinion may now or hereafter strike, injure, endanger or interfere with the maintenance and operation of any of the Facilities, provided that on future cutting of such danger trees, timber so cut shall remain the property of the Grantor. Grantor shall notify Grantee of any party with whom Grantor contracts and who owns as a result thereof any danger trees to be cut as set forth above.

- v. Grantee shall have the right to excavate or change the grade of the Grantor's Land as is reasonable, necessary, and proper for any and all purposes described in this Agreement; provided, however, that the Grantee will, upon completion of their work, backfill and restore any excavated areas to reasonably the same condition as existed prior to such excavation.
 - vi. Grantee shall have the right to pass and repass along the Easement Area to and from the adjoining lands and pass and repass over, across, and upon the Grantor's Land to and from the Easement Area, and construct, reconstruct, relocate, use, and maintain such footbridges, causeways, and ways of access, if any, thereon, as is reasonable and necessary in order to exercise to the fullest extent the Easement.
 - vii. Grantee shall have the right to install, maintain and use accessory utility structures (by way of non-exhaustive example: manholes and vents) on the lands of the Grantor adjacent to the Easement Premises as such accessory utility structures are necessary to operate, maintain, or upgrade the water and/or sewer systems or other utility systems to be installed within the Easement Premises.
 - viii. Grantee shall have the right, when required by law or government regulations, to conduct scientific or other studies, including but not limited to environmental and archaeological studies, on or below the surface of the Easement Premises.
- d. Terms, Conditions and Restrictions.
- i. Maintenance. Grantee shall maintain the Easement Premises as shown on that certain map or plat entitled "Utility Easement Plat" prepared by Thomas W. Hurley, RLS No. 2468 and recorded in Plat Cabinet _____, Slide _____ in the records of the Clerk of Superior Court of Effingham County, as it deems necessary and in its sole discretion.
 - ii. Grantee shall have no obligation to pay for any insurance or taxes, assessments or other charges or fees applicable or chargeable to the Easement Premises or owners thereof.

- iii. Grantor covenants and agrees that it shall not plant within or allow to grow into the Easement Premises any trees, bushes or other planted material that would interfere with Grantee's use of the Easement Premises, and that they shall not construct any buildings, walls, fences, or other improvements within, or over or upon the Easement Premises.
- iv. Grantor hereby warrants title to the Easement herein granted and conveyed to Grantee. Grantor warrants that the easement is free and clear of all liens and encumbrances. Grantor agrees to protect and defend the title from and against all persons whomsoever. Grantor agrees and hereby does, to the extent permitted by law, indemnify and hold harmless Grantee from any costs, expenses, damages, claims or demands incurred or asserted against Grantee as a result of or arising out of Grantor's warranties or covenants set forth herein.
- v. It is agreed that if the City accepts dedication of the Facilities, such Facilities shall forever remain the property of the Grantee, its successors, and assigns. Grantor's dedication to Effingham County of the roads and rights-of-way shown in Exhibit B shall not affect Grantee's sole ownership of the Facilities within the Easement Premises.
- vi. Grantor reserves the right to cross and recross the Easement Premises provided that such use of said ground shall not interfere with, obstruct, or endanger any rights granted herein and shall not disturb the grade of said ground as it now exists.
