**Item Description:** **Linda Sims** as Agent for **Eric Edwards** request a **conditional use** to allow for the repair and painting of aviation parts in **B-3** zoning. Located at 1204 Mill Pond Road, zoned **I-1**, proposed zoning **B-3. Map# 446 Parcel# 7C**

### Summary Recommendation

Staff has reviewed the application, and recommends **approval** of the request for a **conditional use** to allow for the repair and painting of aviation parts in **B-3** zoning, with conditions.

### Executive Summary/Background

- Conditional Uses in the B-3 zoning district are outlined Appendix C – Zoning Ordinance, Article V-Uses Permitted in districts, **Section 5.11.2**
- While aviation parts are not specifically described as a conditional use, automotive paint and body shops are listed, and mirror the intended activity and intensity of use as described by the applicant
- A conditional use is necessary for the business to operate in B-3 zoning district. The alternative is to maintain I-1 zoning, which will not work due to buffer requirements.
- At the June 13 Planning Board meeting, Peter Higgins made a motion to approve the request for a conditional use to allow for the repair and painting of aviation parts in B-3 zoning.
- The motion was seconded by Alan Zipperer, and carried unanimously.

### Alternatives
