Subject: 2nd Reading Zoning Map Amendment
Author: Katie Dunnigan, Zoning Manager
Department: Development Services
Meeting Date: November 1, 2022
Item Description: Terry Griner requests to **rezone** 0.23 acres from **B-3** to **AR-1** to allow for a recombination of parcels. Located on Go Cart Road & Pound Road. **Map# 296 Parcel# 46F**

Summary Recommendation

Staff has reviewed the application, and recommends **approval** of the request to **rezone** .23 acres from **B-3** to **AR-1** to allow for a recombination of parcels, with conditions.

Executive Summary/Background

- The request for rezoning is a requirement of Appendix C, Article IX-Amendments to Map or Text, Section 9. Zoning districts are described in Appendix C, Article V-Uses Permitted in Districts.
- The applicant wishes to allow 0.23 acres of his B-3 zoned parcel to be added to adjacent Map/Parcel 296-46E. This addition to the property will serve to correct the existing property line, which currently runs through functional travel access and a structure.
- The 0.23 section is being added to a parcel that is zoned AR-1. Therefore, the 0.23 acres must also be zoned AR-1.
- The applicant was denied a request to rezone the entirety of this parcel to I-1 on August 2, 2022. Staff, in consultation with the County Attorney, have determined that this current rezoning request is not subject to the 6-month prohibition on reapplication due to the vastly different scope and intent of the proposed rezoning.
- At the October 17, 2022 Planning Board meeting, Peter Higgins made a motion to **approve** the request to **rezone** 0.23 acres from **B-3** to **AR-1** to allow for a recombination of parcels, with the following conditions:
 1. The lot shall meet the requirements of the AR-1 zoning district.
 2. A combination plat must be approved by Development Services and, and be recorded, before the rezoning can take effect.
- The motion was seconded by Brad Smith and carried unanimously.
