Application

An application was submitted by Lynn Jeffers requesting a variance from Section 3.4 Buffers of the Effingham County Code of Ordinances to allow consideration of a reduction in required buffers in B-2 from 30 feet to 10 feet with a 6-foot privacy fence along Zittrouer Road, identified as Tax Parcel 352-73, located at 489 Noel c Conaway Road in Commission District 1.

Public Hearings and Notice

A public hearing was conducted **on June 2, 2026**, before the Board of Commissioners, with notice published in the Effingham County Herald on **May 13, 2026**.

Findings of Fact

The Board of Commissioners makes the following findings regarding this variance request:

1. The applicant requested a variance from Section 3.4 Buffers of the Effingham County Code of Ordinances to allow consideration of a reduction in required buffers on a ±1.00-acre parcel identified as Tax Parcel 352-73, located in Commission District 1.
2. The Board of Commissioners finds that unique conditions exist due to the parcel’s existing structure and limit compliance with current buffer requirements.
3. Strict application of the ordinance would create hardship by preventing the use of the existing accessory structure for the automobile maintenance shop.
4. Notice of the required public hearing was provided in accordance with the Georgia Zoning Procedures Law.
5. A public hearing was conducted before the Board of Commissioners.
6. The Board of Commissioners reviewed the application, staff report, and all information presented during the public hearing.
7. The requested variance is not expected to adversely affect public health, safety, or welfare and is consistent with the intent of the B-2 zoning district and the Comprehensive Plan.

Variance Approval

The Board of Commissioners hereby approves the requested variance to allow consideration of a reduction in required buffers on a B-2 zoned parcel (Tax Parcel 352-73), located in Commission District 1.
