Department: EMS

Meeting Date: June 2, 2026

Item Description: Consideration to approve Amendment No. 1 to the agreement with Roebing Raceway for Effingham County EMS to continue providing emergency medical services at the racetrack.

Summary Recommendation: Staff recommends approval of Amendment No. 1 to the EMS Services Agreement with Roebing Raceway and authorization for the Chairman to execute the amendment.

Executive Summary/Background:

Effingham County and Buccaneer Region, Sports Car Club of America, Inc., doing business as Roebing Raceway, entered into an EMS Services Agreement effective October 4, 2023, for the County to provide emergency medical services at Roebing Raceway. The original agreement provides for the assignment of County EMS personnel and an ambulance to the racetrack to perform emergency medical duties. Under the agreement, services are limited to duties customarily rendered by County EMS personnel, and assigned EMS staff remain under the control and direction of the County.

Amendment No. 1 documents the continued term of the agreement through December 31, 2026, unless earlier terminated, and renews the agreement for a two-year term beginning January 1, 2027 and ending December 31, 2028. The amendment also revises the payment provision effective January 1, 2027, requiring Roebing Raceway to pay the County **\$825.00 per day, per ambulance**, with a one-day minimum. The daily rate includes one ambulance and the required EMS staffing for the day. All other terms and provisions of the original agreement remain in full force and effect.

Approval of this amendment will allow Effingham County EMS to continue providing contracted emergency medical services at Roebing Raceway under updated payment terms.
