## ✓ EMS Trauma Care Related Equipment Grant GTC | **Approved** Equipment List Revised by EMS Committee 09/18/25

Agencies may submit a Special Request Form by the specified deadline for any equipment not listed below, subject to review and approval by the GTC EMS Committee

**Grant Terms Reminder:** Agencies agree that grant funds may not be used to supplant, reduce, or reallocate existing budgeted dollars allocated to the local 911-zoned EMS response system.

Category	Approved Equipment Items	Source List(s)
Airway & Breathing	Continuous Waveform Capnography (EtCO <sub>2</sub> Monitoring Equipment)	GTC Equipment List, Joint Position Statement
Airway & Breathing	Disposable CPAP Units	GTC Equipment List
Airway & Breathing	Emergency Cricothyrotomy Kit	GTC Equipment List
Airway & Breathing	Impedance Threshold Devices (ITD)	GTC Equipment List
Airway & Breathing	Mounted or Portable Suction Units (SAE J3043 compliant)	DPH Inspection
Airway & Breathing	Supraglottic Airways (neonates to adults)	Joint Position Statement
Airway & Breathing	Transport Ventilator	GTC Equipment List
Airway & Breathing	Video laryngoscopy equipment appropriate for neonates to adults	GTC Equipment List, Joint Position Statement
Cardiac Care	**Automatic Chest Compression System	GTC Equipment List
Cardiac Care	Automatic or Semi-automatic External Defibrillator (AED) with Adult and Pediatric pads or Pediatric Dose Attenuator. (cardiac monitor/defibrillator for Cardiac Technician or Paramedic staffing)	DPH Inspection, Joint Position Statement
Circulation & Vascular Access	Infusion Pumps	GTC Equipment List
Circulation & Vascular Access	Intraosseous Supplies	GTC Equipment List
Circulation & Vascular Access	Pressure Infusion Bags / Devices	GTC Equipment List, Joint Position Statement
Circulation & Vascular Access	A device to provide pressure infusion of IV fluids	DPH Inspection
Circulation & Vascular Access	IV Fluid Warming System	GTC Equipment List
Equipment for Prehospital Blood Products Administration	Blood Warmer/Cooler	GTC Equipment List
Equipment for Prehospital Blood Products Administration	Blood/blood products (PRBCs, FFP, Whole Blood..)	GTC Equipment List
Equipment for Prehospital Blood Products Administration	Disposables (blood administration)	GTC Equipment List
Equipment for Prehospital Blood Products Administration	Infusion Devices (for blood)	GTC Equipment List
Hemorrhage Control	Chest Decompression Needles/ Devices (pediatrics to adults)	GTC Equipment List, Joint Position Statement
Hemorrhage Control	Commercial Arterial Tourniquets	GTC Equipment List, DPH Inspection, Joint Position Statement
Hemorrhage Control	Commercially made Chest Seals	GTC Equipment List
Hemorrhage Control	Commercially made Tourniquet Devices	GTC Equipment List
Hemorrhage Control	External Blood Clotting Supplies	GTC Equipment List
Hemorrhage Control	Wound Packing Material	Joint Position Statement
Medication Delivery	Pediatric Specific tools that provide pre- calculated weight-based dosing and preclude the need for calculation by EMS providers can reduce dosing errors	DPH Inspection
Monitoring & Diagnostics	Blood Pressure Cuffs (neonates)	Joint Position Statement
Monitoring & Diagnostics	Pulse Oximeters & Probes (neonates to adults)	GTC Equipment List, DPH Inspection, Joint Position Statement
Orthopedic & Trauma Immobilization	Commercially made Pelvic Stabilization Devices	GTC Equipment List, Joint Position Statement
Orthopedic & Trauma Immobilization	Extremity Immobilization Devices	GTC Equipment List, DPH Inspection
Orthopedic & Trauma Immobilization	Femoral Splinting Devices (traction or non-traction)	Joint Position Statement, DPH Inspection
Orthopedic & Trauma Immobilization	Pelvic Splints (commercial or improvised with sheet & clips)	Joint Position Statement, DPH Inspection

Orthopedic & Trauma Immobilization	Splinting Materials (extremity)	Joint Position Statement, DPH Inspection
Orthopedic & Trauma Immobilization	Traction Splint (pediatrics to adults)	GTC Equipment List, DPH Inspection
Patient Comfort & Temperature Control	Patient Warming Devices	GTC Equipment List, Joint Position Statement
Patient Movement & Transport	Ambulance Child Restraint Devices/Pediatric Restraint System	GTC Equipment List, DPH Inspection, Joint Position Statement
Patient Movement & Transport	Eject Helmet Removal System	GTC Equipment List
Patient Movement & Transport	Pediatric Immobilization device (must be manufactured for pediatric use only) with at least 3 straps"	DPH Inspection
Patient Movement & Transport	Short Spinal Extrication Device (KED)	DPH Inspection
Patient Movement & Transport	Portable Lifting Device (Binder Lift)	GTC Equipment List
Patient Movement & Transport	Rescue/Evacuation Litter	GTC Equipment List
Patient Movement & Transport	Scoop Stretcher	GTC Equipment List
Patient Movement & Transport	Materials or devices that can be utilized to provide spinal motion restriction of the cervical, thoracic, and lumbar spine (neonates to adults)	Joint Position Statement, DPH Inspection
Patient Movement & Transport	Spine Boards, Long (at least 16 inches wide by 72 inches long), each with at least 3 straps or equivalent	GTC Equipment List, DPH Inspection
Patient Movement & Transport	Stair Chair/Collapsible Stair Chair	GTC Equipment List, DPH Inspection, Joint Position Statement
Patient Movement & Transport	Equipment for the safe transport of pediatric patients, as approved by the local Medical Director with guidelines provided by the Department	DPH Inspection
Patient Movement & Transport	Extrication Board/Device	DPH Inspection
Training	Adult & Pediatric Airway Trainers	GTC Equipment List
Training	Advanced Life Support Skill Mannequin Trainer	GTC Equipment List
Training	Driving Simulator	GTC Equipment List
Triage & Incident Management	RTF/MCI Triage Bags	GTC Equipment List
Triage & Incident Management	Triage Marking Systems (tags/tape per ASPR)	Joint Position Statement
Triage & Incident Management	Triage Tags (SMART compliant)	DPH Inspection
Wound Care	Commercially made Eye Irrigation Devices	GTC Equipment List

\*\*unless contraindicated

# GEORGIA TRAUMA COMMISSION

**EMS Trauma Care Related Equipment Grant Equipment Removal**  
The following items using trauma-related equipment grant funds must submit a Special Review and Consideration.

Agencies agree that grant funds may not be used to supplant, reduce, or reallocate existing

## Removed Equipment Items

Bag Valve Mask Resuscitator (adult, pediatric, infant)
Blind Insertion Airway Devices (Combitube, King, i-gel, LMA)
Direct Laryngoscopy Equipment
Magill Forceps
Nasopharyngeal Airways
Nebulizer Kits
NIPPV Device
Oropharyngeal Airways
Oxygen Systems (fixed, portable, spare cylinders)
Suction Catheters (sterile, rigid, tubing)
Adhesive Tape (assorted sizes)
Gauze Pads & Sponges
Non-Sterile Gauze Pads
Sheets (burn/clean wrapped)
Triangular Bandages
Universal Dressings
Elastic Bandages
Cardiac Monitor/Defibrillator (with pacing, 12-lead)
Glucometer (with strips)
Non-Mercury Thermometer
Penlight
Stethoscope
Thermometer (general)
Biohazard Bags
Disinfectant Solution
Waterless Hand Cleanser
Agency Protocol Manual (hard copy or electronic)
Spring-Loaded Center Punch

Neonatal Delivery Kit (clamps, bulb suction, towels, blankets)
Towels (general, neonatal)
Cervical Collars (adult/pediatric)
Lateral Cervical Immobilization Devices
Cold Packs
Bedpan
Blankets / Waterproof Covers
Emesis Basins/Bags
Infant Insulating Device (foil swaddler, bunting, etc.)
Mattress Covers, Pillows
Restraints (ankle/wrist)
Safety/Catch Hook for stretcher
Urinal
Bariatric Ambulance Ramp
Combi Extrication Tool
ANSI Reflective Safety Wear
Fire Extinguisher (5–10 lb ABC)
Flashlight
Gloves (exam, leather/work)
N95 Masks
Personal Protection Equipment (PPE sets)
Reflective/Illuminated Roadside Warning Devices
Sharps Containers
Surgical Face Masks
Two-Way Communication System
AVLS Antennae (replacement) (Note: AVLS equipment provided by GTC AVLS Program)
Batteries & Battery Chargers (for monitors, radios, stretchers)
Image Trend Kno2 Software
Laptop/Toughbook
Pagers (Motorola)
Replacement Radios / Two-Way Radios
Tablets
Jump Bags
Narcotics Lock Box
Resuscitation Items
Air Conditioner (front/rear)
All Doors/Locks Operational
All Patient Compartment Lights
All Warning Lights Operational
Cleanliness Standards (interior)
Heating (front/rear)
Scene/Flood Lights
Seatbelts (driver, passenger, patient seats)
