

Staff Report

Subject: Approval of Georgia Power Lighting Services Agreement for SR 30 Kolic Helmey Roundabout Project

Author: Brooke Sutherland, Engineering Project Coordinator

Department: Procurement, Engineering

Meeting Date: August 4th, 2026

Item Description: Consideration to approve the Georgia Power Lighting Services Agreement for roadway lighting improvements at the SR 30 Kolic Helmey Roundabout.

Summary Recommendation: Staff recommends approval of the Lighting Services Agreement with Georgia Power for installation, operation, and maintenance of roadway lighting at the SR 30 Kolic Helmey Roundabout.

Executive Summary / Background:

Georgia Power submitted a Lighting Services Agreement (Project No. LP141214) for installation of twenty-five (25) 80-watt LED roadway fixtures at the SR 30 Kolic Helmey Roundabout. The lighting improvements are intended to enhance nighttime visibility, improve traffic operations, and increase public safety at the new roundabout.

Under the agreement, Georgia Power will install, own, operate, and maintain the lighting infrastructure and provide electrical service for the site. The County will provide a one-time pre-payment of \$142,794.00 and will be responsible for an estimated monthly service cost of \$535.00.

The agreement has an initial one-month term beginning with the first monthly bill and automatically renews on a month-to-month basis thereafter. Either party may terminate the agreement by providing at least 30 calendar days' written notice prior to the desired termination date.

Alternatives for Commission to Consider:

1. Approve the Lighting Services Agreement
2. Do not approve
3. Provide staff with direction

Recommended Alternative: 1

Other Alternatives: 2, 3

Department Review: Procurement, Engineering

Funding Source: Capital Improvement Budget
