**Hazard Mitigation Grant Program**  
**Project Administration Guidelines: Financial Assistance**

This fact sheet provides a synopsis of information contained in the Recipient-Subrecipient Agreement and other applicable documents. Its purpose is to provide general guidelines for efficient and timely Hazard Mitigation Grant Program project administration.

1. Project Identification – The Federal Emergency Management Agency (FEMA) has assigned project number HMGP 4400-0011 to this project. Please reference this number in all correspondence, as doing so will greatly assist us in processing any actions for this project.
2. Documentation – You must keep full documentation to get maximum payment for project related expenditures. Documentation will be required as part of the approved Hazard Mitigation Grant Program project file. Documentation consists of:
  - A. Recipient-Subrecipient Agreement
  - B. Copies of checks, vouchers or ledger statements
  - C. Contracts awarded
  - D. Invoices or other billing documents
  - E. Progress reports
  - F. Record of advance or progress payments (where applicable)
3. Funding – Cost sharing has been established at 75% federal and 25% applicant.
4. Debarred and Suspended Parties – You must not make any award or permit any award (subaward or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension".
5. Procurement Standards – You may use your own procurement procedures, which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal laws and standards. Below is a summary of key procurement standards that a Subrecipient should incorporate as discussed in 2 CFR Sections 200.318 to 200.326.
  - A. Conflict of Interest Policy – The Subrecipient must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees engaged in the selection, award, and administration of contracts as required in 2 CFR Section 200.318.

- B. Procurement – Perform procurement transactions in a manner providing full and open completion. Contracts and Procurements must be of reasonable cost, generally must be competitively bid, and must comply with Federal, State, and local procurement standards. FEMA finds five methods of procurement acceptable:
- 1) Micro-purchase procedures: an informal method for securing services or supplies that do not cost more than \$10,000. Micro-purchases may be awarded without soliciting competitive quotes if the Subrecipient considers the price to be reasonable.
  - 2) Small purchase procedures: an informal method for securing services or supplies that do not cost more than \$250,000 by obtaining several price quotes from different sources.
  - 3) Sealed bids: a formal method where bids are publicly advertised and solicited, and the contract is awarded to the responsive bidder whose proposal is the lowest in price.
  - 4) Competitive proposals: a method similar to sealed bid procurement in which contracts are awarded on the basis of contractor qualifications instead of on price.
  - 5) Non-competitive proposals: a method whereby a proposal is received from only one source, because the item is available only from a single source; there is an emergency requirement that will not permit delay.
- C. Maintain sufficient records to detail the significant history of procurement. These records will include, but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, and contractor selection or rejection.
- D. Take affirmative steps to assure the use of small and minority firms, women's business enterprises, and labor surplus area firms when possible.
- E. Include specific provisions in Subrecipient's contracts to allow changes, remedies, changed conditions, access and records retention, suspension of work and other clauses approved by the Office of Federal Procurement Policy.
6. Payments
- A. Progress Payments
- 1) When progress payments are desired, you must submit a written request (on provided form at Exhibit "F") and provide supporting documentation, such as an invoice and copies of check.
    - a. The first expenditure report is due by December 11, 2025, which is within 12 months of the FEMA award date.  
Subsequent expenditure reports are due annually or more

frequently as needed.

- 2) The Hazard Mitigation Risk Reduction Specialist reviews the request and supporting documentation. The Hazard Mitigation Manager reviews and approves or denies the request.
- 3) If the request is denied, the Hazard Mitigation Manager will inform you in writing that additional documentation is required to support the request.
- 4) If the request is approved, the Hazard Mitigation Manager will authorize payment of the requested amount.
- 5) Quarterly report submissions must be current in order to receive progress payments.

B. Advance Payments – Advance payments will be made on an exception basis only.

7. Subrecipient Performance – The scope of work (see Exhibit “E”) must be initiated within 90 days of this award notification.

- A. If documentation, inspections or other reviews reveal problems in performance of the scope of work, the Hazard Mitigation Manager will inform you in writing of the deficiencies.
- B. In addition, the State may also withhold all or any portion of financial assistance which has been made available under this agreement until adequate corrective action is taken.

8. Award Expiration Date

- A. The award expiration date runs through March 1, 2026 and has been established based on project milestones established by the applicant in their application. The award expiration date is the time during which the Subrecipient is expected to complete the scope of work. You may not expend FEMA or state funds beyond this date. All costs must be submitted for reimbursement within 60 days of the end of the award expiration date.
- B. Requests for time extensions to the Award Expiration Date will be considered but will not be granted automatically. A written request must be submitted to the Hazard Mitigation Manager with an explanation of the reason or reasons for the delay. Without justification, extension requests will not be processed. Extensions will not be granted if the Subrecipient has any overdue quarterly progress reports. If an extension is requested, it must be received 90 days prior to the award expiration date. When fully justified, the State Hazard Mitigation Manager may extend the award expiration date.

9. Project Termination

- A. The Recipient, Subrecipient, or FEMA may terminate award agreements upon giving written notice to the other party at least seven (7) calendar days prior to the effective date of the termination. All notices are to be transmitted via registered or certified mail.
- B. The Subrecipient's authority to incur new costs will be terminated upon the date of receipt of the notice or the date set forth in the notice. Any costs incurred prior to the date of the receipt of the notice or the date of termination set forth in the notice will be negotiated for final payment. Close out of the award will commence and be processed as prescribed under final inspection procedures described in this Recipient-Subrecipient Agreement.

10. Environmental and Historic Preservation Conditions

- A. The following Environmental Project Conditions must be followed to ensure the project remains in compliance through implementation:
  - 1) Any change to the approved scope of work will require re-evaluation for compliance with NEPA and other Laws and Executive Orders. This review did not address all federal, state, and local requirements. Acceptance of federal funding requires Recipients to comply with all federal, state, and local laws. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.
  - 2) If ground-disturbing activities occur during construction or demolition, Subrecipient will monitor ground disturbance and if any potential archeological resources are discovered, will immediately cease construction in that area and notify the State and FEMA.

11. Equipment/Supplies – The Subrecipient must comply with the regulations listed in 2 CFR 200.313 Equipment, 200.314 Supplies, and must be in compliance with state laws and procedures.

12. Award Modifications

- A. Any award modifications, including deviation from the approved scope of work or budget, must be submitted in writing for approval prior to implementation. Award Modifications include:
  - 1) Any revision which would result in the need for additional funding.
  - 2) Transfers between budget categories.

- B. The Subrecipient shall follow prior approval requirements for budget revisions found in 2 CFR 200.308. Transfer of funds between total direct cost categories in the approved budget shall receive the prior approval of FEMA when such cumulative transfers among those direct cost categories exceed ten percent of the total budget.
13. Appeals – You may submit an appeal on any item related to award assistance. Appeals must be submitted to the State Hazard Mitigation Manager within 90 days of the action which is being appealed.
14. Progress Reports
- A. Quarterly progress reports are required. The report will be supplied to you by GEMA/HS on a quarterly basis for your completion.
  - B. The initial progress report will cover the period through December 31, 2024. It must be submitted no later than January 15, 2025.
  - C. Subsequent reports must be filed by you within fifteen days after the end of each calendar quarter (March 31, June 30, September 30, and December 31).
15. Interim Inspections – Interim inspections may be conducted by GEMA/HS staff and/or FEMA staff.
16. Project Closeout
- A. When all work has been completed, you must notify your Hazard Mitigation Risk Reduction Specialist in writing to request project closeout.
  - B. A desk review will be conducted by your Hazard Mitigation Risk Reduction Specialist.
17. Audits – If you receive \$750,000 or more in federal assistance from all federal sources, not just this award, during your fiscal year, you are responsible for having an audit conducted as prescribed by the Single Audit Act and sending a copy to the Georgia Department of Audits and Accounts. Mail reports to:

Department of Audits and Accounts  
Non-Profit and Local Government Audits  
270 Washington Street, SW, Room 1-156  
Atlanta, Georgia 30334-8400

If you need additional information or assistance, contact the GEMA/HS Hazard Mitigation Program at (404) 635-7522 or 1-800-TRY-GEMA.

## **Language Access Plan 2022**

---

## **Purpose**

The intent of this Language Access Plan (the Plan) is to ensure the Georgia Emergency Management and Homeland Security Agency (GEMA/HS) is prepared to address its responsibilities as a recipient of Federal Financial Assistance as they relate to the needs of individuals with limited English language skills. The Plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 200d, *et seq.*, and Executive Order 13166, to follow when providing services to, or interacting with, individuals who have limited English proficiency (LEP). Following these guidelines is essential to the success of our mission to protect life and property against man-made and natural disasters by directing the State's efforts in the areas of prevention, preparedness, mitigation, response, and recovery.

GEMA/HS is a recipient of federal funds for a portion of its programs and, thus, obligated to reduce language barriers that can preclude Meaningful Access by LEP persons to GEMA/HS programs and GEMA/HS' Subrecipients' programs. GEMA/HS has prepared this Language Access Plan, which defines the actions to be taken to ensure Meaningful Access to Agency services, programs, and activities on the part of persons who have LEP.

## **Authority**

### **Title VI of the Civil Rights Act of 1964**

Section 601 of Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, provides that no person shall "on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal Financial Assistance."

Section 602 authorizes and directs federal agencies that are empowered to extend Federal Financial Assistance to any program or activity "to effectuate the provisions of [section 601] \* \* \* by issuing rules, regulations, or orders of general applicability." 42 U.S.C. 2000d-1.

### **Executive Order 13166**

Executive Order 13166, entitled "Improving Access to Services for Persons with Limited English Proficiency," authorizes the implementation of regulations afforded by Title VI of the Civil Rights Act of 1964. Executive Order 13166 ensures LEP persons have Meaningful Access to federally conducted and funded programs and activities. This protection requires that LEP persons be provided an equal opportunity to benefit from services that are normally provided in English. Executive Order 13166 requires that federal agencies create plans for ensuring that their own activities also provide Meaningful Access for persons who are LEP.

## **Definitions**

**Beneficiary:** The ultimate consumer of federally funded programs who receives benefits from a federally funded recipient.

**Bilingual:** A person competent in two languages in equal aptitude in either oral or written form is considered bilingual.

**Customer:** Any individual or organization communicating with a GEMA/HS program.

**GEMA/HS LAP Coordinator:** GEMA/HS employees that collectively work together as the LAP Coordinator.

**Federal Financial Assistance:** Grants, loans, and advances of federal funds, the grant or donation of federal property and interests in property, or any other assistance as specified in 24 CFR Part I § 1.2(e).

**Focus Languages:** Languages, specifically Chinese, Korean, Spanish, and Vietnamese, identified through the Four-Factor Analysis as having a sufficient level of prevalence amongst LEP individuals in Georgia to warrant statewide efforts for written translations of vital documents.

**Interpretation:** The act of listening to a communication in one language (source language) and orally converting it to another language (target language) while retaining the same meaning.

**Language Access Plan (LAP):** A written implementation plan that addresses identified needs of the LEP persons served.

**Language Assistance Services:** Oral and written language services needed to assist LEP individuals to communicate effectively with staff, and to provide LEP individuals with Meaningful Access to, and an equal opportunity to participate fully in, the services, activities, or other programs administered by GEMA/HS.

**Limited English Proficient (LEP) Individuals:** Individuals who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English because of their national origin. For purposes of Title VI and the LEP Guidance, persons may be entitled to language assistance with respect to a particular service, benefit, or encounter. (HUD LEP Guidance). LEP individuals may be competent in English for certain types of communication (e.g., speaking or understanding), but still demonstrate LEP for other purposes (e.g., reading or writing).

**Meaningful Access:** LEP individuals' accurate, timely, and effective participation in, or benefit from, federally funded programs that is meaningfully equivalent to that of non-LEP individuals, at no cost to the LEP individual.

**Multilingual staff or employee:** A staff person or employee who has demonstrated fluency in English and reading, writing, speaking, or understanding at least one other language as authorized by his or her Division.

---

**Primary Language:** An individual's primary language is the language in which an individual most effectively communicates.

**Recipient:** Qualified applicants in compliance with 24 CFR §1.2(f) who are awarded Federal Financial Assistance. The Voluntary Compliance Agreement defines Recipient as "the meaning specified at 24 CFR §1.2(0)." 24 CFR §1.2(f) defines Recipient as "any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, organization, or other entity, or any individual, in any State, to whom Federal Financial Assistance is extended, directly or through another recipient, for any program or activity, or who otherwise participates in carrying out such program or activity (such as a redeveloper in the Urban Renewal Program), including any successor, assign, or transferee thereof, but such term does not include any ultimate beneficiary under any such program or activity."

**Subrecipient:** Any public or private agency, institution, organization, or other entity to whom Federal Financial Assistance is extended, through GEMA/HS for any program or activity, or who otherwise participates in carrying out such program or activity, but such term does not include any Beneficiary under any such program.

**Translation:** The replacement of written text from one language (source language) into an equivalent written text in another language (target language).

### **Policy**

GEMA/HS complies with all federal statutes and regulations in the administration of federally funded programs. Through the Plan, GEMA/HS will take timely and reasonable steps to provide LEP persons with Meaningful Access to programs and activities conducted by GEMA/HS and its Subrecipients. Access to GEMA/HS programs and services should not be impeded as a result of an individual's inability to speak, read, write, or understand English. GEMA/HS will review and update its LEP Four-Factor Analysis at least every five years.

The Plan requires communication of information contained in vital documents involving emergency services to all people in the state of Georgia. All interpreters, translators, and other aids needed to comply with the Plan shall be provided without cost to the person being served and will be informed of the availability of such assistance free of charge. Language assistance will be provided through the use of competent bilingual interpreters, contracts, or formal arrangements with local organizations providing interpretation or translation services, or technology and telephonic interpretation services. All GEMA/HS employees will be provided notice of the Plan, and GEMA/HS employees that may have direct contact with LEP individuals will be trained in effective communication techniques, including the effective use of an interpreter.

GEMA/HS will train staff, contractors, and Subrecipient administrators (program administrators who are expected to conduct a Four-Factor Analysis and other efforts described within this LAP), and local government officials on procedures to implement and continuously monitor and evaluate the implementation of LAPs in the state of Georgia.

Pursuant to the requirements of Title VI, Subrecipients of federal funds received through an administration grant/award made by GEMA/HS are also required to make reasonable efforts to provide timely, Meaningful Access for LEP persons to programs and activities. In order to do so, Subrecipients should first conduct an assessment to determine the need for language assistance within their service area. This is accomplished by conducting the Four-Factor Analysis, which is described in the Plan. After completion of the Four-Factor Analysis, the Subrecipients will understand the languages spoken by LEP persons in their service area and can determine how to provide needed language assistance.

Based upon the findings of the Four-Factor Analysis, and when deemed necessary, the Sub-Recipients should prepare a Language Access Plan addressing the Subrecipient's plan for ensuring Meaningful Access to programs and activities for LEP persons. A Subrecipient may conclude that different language assistance measures are sufficient for the different types of programs or activities in which it engages. For instance, a Subrecipient may determine that certain activities are more important and/or have greater impact on or contact with LEP persons, and thus such programs or activities require enhanced language assistance.

Subrecipients are also required to select an individual responsible for coordination of LEP compliance, train staff involved in programs and activities on LEP requirements, keep records of assistance provided and actions taken, and update the Four-Factor Analysis and LAP, as needed. GEMA/HS will monitor all Subrecipients to ensure LEP individuals receive Meaningful Access to GEMA/HS federally funded programs.

### **Four Factor Analysis**

In developing the Plan, GEMA/HS used the Four Factor LEP analysis, which considers the following:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by GEMA/HS programs, activities, or services in the state of Georgia;
2. The frequency with which LEP individuals come in contact with GEMA/HS programs, activities or services;
3. The nature and importance of the program, activity or service provided to the LEP population; and
4. The resources available to GEMA/HS and the overall cost to provide assistance.

**Factor 1: Number or proportion of LEP persons eligible to be served or likely to be encountered by GEMA/HS programs, activities, or services.**

GEMA/HS used the U.S. Census Bureau’s American Community Survey (ACS), 2020: ACS 5-Year Estimates Data Profile of Georgia to determine the number of LEP persons throughout the State. Based on the data provided, GEMA/HS considers individuals who speak English less than “very well” as LEP persons. According to the ACS data, the state of Georgia has a total population of 9,864,494 persons five years old and older. Of the 9,864,494 persons, the ACS estimates that 536,491 persons or 5.44 percent of the State’s population are LEP.

**Factor 2: Frequency with which LEP individuals come in contact with programs, activities, or services.**

GEMA/HS is the lead agency when disasters strike, meaning that GEMA/HS employees are at the front line of responding to emergencies and coordinating preparedness and recovery efforts. GEMA/HS directs the recovery efforts by the State and helps connect locals to the nonprofit organizations that want to offer assistance. Many of these organizations provide emergency housing and shelter, access to transportation, food banks, childcare services, and public health programs, as well as long-term housing and support. Therefore, as the leaders of recovery efforts, our Agency is responsible for properly understanding the needs of the community and making sure the necessary resources are being deployed. To accomplish this function, GEMA/HS employees must have resources available to communicate with the population in need by having interpreter services readily available. Therefore, any information GEMA/HS posts regarding Federal Financial Assistance must be disseminated and accessible to diverse racial, ethnic, and LEP populations.

GEMA/HS encourages all Subrecipients, organizations, and community leaders to regularly engage with the communities they serve, especially those that are LEP. GEMA/HS' goal is to foster relationships with community-based organizations and local service offices, like legal aid,

which have a more established relationship with underserved communities, like LEP persons, to disseminate resources and information.

GEMA/HS anticipates increased contact with LEP persons as natural disasters become more prevalent, emergency situations more frequently arise, and the minority populations within the state of Georgia continues to grow. Given this likely outcome, GEMA/HS must make all necessary preparations to develop products that non-English speakers can read and understand.

**Factor 3: The nature and importance of the program, activity or service provided to the LEP population.**

In general, after a disaster the affected constituency relies heavily on GEMA/HS to lead them to resources, programs, and benefits. GEMA/HS must ensure LEP persons have equitable contact with these resources, programs, and benefits. Therefore, during post-disaster recovery GEMA/HS will work with the hired consultant to encourage affected counties to identify language services during the planning process so that LEP persons in concentrated areas of a county are not experiencing denial or delay of access to services.

**Factor 4: The resources available to GEMA/HS and the overall cost to provide assistance.**

GEMA/HS will take all reasonable steps to ensure Meaningful Access to LEP persons when preparing and planning for disaster events and after such events occur. Reasonable steps include working with local LEP community organizations, key stakeholders, and other government agencies to assist with language assistance. GEMA/HS will also leverage existing relationships with community organizations, including faith-based service groups, community associations, and service nonprofits in GA Voluntary Organizations Active in Disaster.

GEMA/HS will maintain LEP maps so that the Agency is consistently updating language materials that reflect the most prevalent languages spoken in areas affected by disasters. The Agency intends to research ethnic centers and venues diverse communities visit so that recovery and benefit information reaches LEP populations. GEMA/HS will utilize its public platforms to post guidance and public service announcements in non-English languages.

Before, during, and after a disaster, GEMA/HS will coordinate with non-English media—in TV, print, and radio, as well as through online platforms and social media—to assist with sharing information to LEP populations.

**Complaint Procedures**

An employee, client, customer, program participant, or consumer of GEMA/HS or of a GEMA/HS Subrecipient may submit an LEP complaint concerning the implementation or administration of any GEMA/HS program, activity, or service. Any such individual has the right, and is encouraged, to file a written complaint with the Federal Emergency Management Agency's (FEMA) Office of Equal Rights (OER), the DHS's Office for Civil Rights and Civil Liberties (CRCL), or GEMA/HS.

1. If the complaint involves FEMA programs and activities, and programs and activities conducted by FEMA grant recipients, the complaint may be sent directly to FEMA OER by calling FEMA at 202-212-3535 and press 1 for Civil Rights, sending an email to [FEMACivilRightsOffice@fema.dhs.gov](mailto:FEMACivilRightsOffice@fema.dhs.gov), or by sending a written explanation to the FEMA OER.

The written explanation should be sent to:

FEMA's Office of Equal Rights  
Civil Rights Section  
500 C Street, SW  
Room 4SW-0915  
Washington, D.C. 20472

2. LEP complaints can also be sent to the DHS's Office for CRCL. There are three submission methods available. One method for submitting the complaint is via email: [CRCLCompliance@hq.dhs.gov](mailto:CRCLCompliance@hq.dhs.gov). A second available method is fax: 202-401-4708. The complaint may also be sent via mail to the following address:

U.S. Department of Homeland Security  
Office for Civil Rights and Civil Liberties  
Compliance Branch  
245 Murray Lane, SW  
Building 410, Mail Stop #0190  
Washington, D.C. 20528

3. Additionally, LEP complaints can be sent directly to GEMA/HS. A complaint form can be downloaded from GEMA/HS' website and submitted by email to: [language.access.coordinator@gema.ga.gov](mailto:language.access.coordinator@gema.ga.gov).

The completed form may also be sent to:

The Georgia Emergency Management and Homeland Security Agency  
Language Access Coordinator  
935 United Avenue SE  
Atlanta, Georgia 30316

### **Language Assistance and Interpretation Services**

GEMA/HS will improve its ability to identify LEP persons needing language assistance by:

1. Posting notice of the Plan and the availability of interpretation or translation services free of charge in languages LEP persons would understand at initial points of contact. GEMA/HS will display the language identification "I SPEAK" cards in all GEMA/HS offices and when traveling to any county or city when responding to an emergency or disaster.

2. All GEMA/HS field coordinators and front-facing staff will also be provided with “I Speak” cards to assist in identifying the language interpretation needed if the occasion arises.
3. All city staff will be informally surveyed periodically on their experience and frequency concerning any contacts with LEP persons during the previous year.

GEMA/HS will provide an opportunity for LEP persons to request an interpreter. Qualified foreign language interpreters will be provided by GEMA/HS, as needed. Whether or not an interpreter is used, there will always be information sheets available at headquarters, incident command centers, and at any point of contact GEMA/HS has with the community. These information sheets should always include questions and answers concerning the need for an interpreter. GEMA/HS will maintain a list of qualified interpreters or companies it contracts with to provide such interpreters. A qualified interpreter, which may include GEMA/HS personnel, means an interpreter who can interpret effectively, accurately, and impartially, using any specialized vocabulary.

### **Training**

1. GEMA/HS will provide periodic training for all employees regarding:
  - a. Implementing the Plan’s procedures;
  - b. Understanding the requirements of Title VI of the Civil Rights Act, Executive Order 13166, and updates to federal guidance on LEP;
  - c. Locating and contacting language assistance services for GEMA/HS programs and Subrecipients’ programs, as needed;
  - d. Using “I Speak” cards and training Subrecipients to use them;
  - e. Preparing and testing communication strategies to ensure evacuation announcements and critical communications reach LEP populations;
  - f. Recording and responding to LEP complaints; and
  - g. Researching and updating population information so that GEMA/HS can best serve the current Georgia population.
2. GEMA/HS will facilitate LEP training for Subrecipients. Such training may be arranged:
  - a. In conjunction with grant management training;

- b. Online through the GEMA/HS website;
- c. At the request of the Subrecipient; or
- d. As a result of a grant program review.

### **Notification**

GEMA/HS will post the Plan on the GEMA/HS website to notify all interested parties of the appropriate procedures for addressing complaints of discrimination concerning the implementation or administration of any program, activity, or service receiving Federal Financial Assistance from FEMA or DHS.

### **Complaint Procedures**

#### **GEMA/HS Procedures for Processing Complaint**

1. A group of GEMA/HS employees will collectively act as the Language Access Coordinator for processing complaints made by individuals who believe they have been denied the benefits associated with this Plan.
2. If an employee, client, customer, program participant, or consumer of GEMA/HS or of a GEMA/HS Subrecipient contacts a GEMA/HS employee and wishes to file a complaint against GEMA/HS or a GEMA/HS Subrecipient concerning the implementation or administration of GEMA/HS any program, activity, or service involving the benefits of the Plan, the GEMA/HS employee shall instruct the complainant to file the complaint in writing, in accordance with the procedures above.
3. Any GEMA/HS employee receiving such a complaint submitted directly to GEMA/HS, and any GEMA/HS employee wishing to submit such a complaint directly to GEMA/HS, shall route it to the Language Access Coordinator. If the complaint is against an employee of GEMA/HS, the complaint shall be forwarded to the Language Access Coordinator.
4. For any complaint received by the Language Access Coordinator that is submitted directly to GEMA/HS, the Language Access Coordinator shall provide written acknowledgment of the complaint to the complainant.
5. The Language Access Coordinator shall refer the complaint to the appropriate entity, which may include the Georgia Office of the Attorney General, the OER, or the CRCL. If the Georgia Office of the Attorney General either is the agency about which the complaint is filed or has a conflict, the complaint shall be referred to the OER or CRCL, as appropriate.

6. Notwithstanding paragraph 5, for any LEP complaint concerning the implementation or administration of any program, activity, or service receiving Federal Financial Assistance from FEMA or DHS, GEMA/HS shall notify the OER or CRCL, as appropriate, in writing of the following:
  - a. Name of complainant;
  - b. Entity named in the complaint;
  - c. Description of the LEP complaint;
  - d. Steps being undertaken to investigate and resolve complaint; and
  - e. Interpretation resources to address the information or benefits the LEP person needed but did not receive.

In addition, GEMA/HS shall notify the complainant that they may file a complaint directly with the OER or CRCL, as appropriate, at the following address or using one of the electronic submission methods described above:

FEMA's Office of Equal Rights  
Civil Rights Section  
500 C Street, SW  
Room 4SW-0915  
Washington, D.C. 20472

U.S. Department of Homeland Security  
Office for Civil Rights and Civil Liberties  
Compliance Branch  
245 Murray Lane, SW  
Building 410, Mail Stop #0190  
Washington, D.C. 20528

### **Monitoring Language Needs and Implementation**

GEMA/HS will continuously monitor and track changes in LEP populations, including what regions might require new language training services and what non-English languages are increasing throughout the population of Georgia. As part of a grant program review, GEMA/HS staff will review the Subrecipients' procedures for adequately providing language assistance to LEP persons. If the procedures do not exist, or are found to need improvement, GEMA/HS staff will send those findings to Subrecipient. At a minimum, the Subrecipient's response procedures should include:

- a. Acknowledge complaint receipt to complainant in writing;
- b. Indicate which external agency the complaint is forwarded to for investigation;
- c. Comply with the appropriate timeframe by which to forward complaint;
- d. Notify GEMA/HS of complaint; and

- e. Notify complainant that a complaint of discrimination may be filed directly with the OER, CRCL, or GEMA/HS, and where to locate those procedures.

# **THE GEORGIA EMERGENCY MANAGEMENT AND HOMELAND SECURITY AGENCY**

## **Responding to Discrimination Complaints Relating to Federal Grant Programs**

**2022**

### **Purpose**

The intent of this policy is to ensure that subrecipients which receive grant funds from the Georgia Emergency Management and Homeland Security Agency (GEMA/HS) do not discriminate against any client, customer, program participant, employee, or consumer based on race, color, religion, sex, national origin, age, English proficiency, or physical or mental disability. This policy establishes the procedures for GEMA/HS employees to follow when they receive or wish to make a complaint alleging discrimination concerning the implementation or administration of any program, activity, or service receiving federal financial assistance from the U.S. Department of Justice (DOJ) or the U.S. Department of Homeland Security (DHS), whether within GEMA/HS or a subrecipient.

---

## **Complying with Laws and Policies that Prohibit Discrimination**

GEMA/HS shall comply with all applicable federal and state laws, rules, and regulations prohibiting discrimination. GEMA/HS shall appropriately address all complaints from any person who believes that a GEMA/HS subrecipient has discriminated against them in violation of federal and/or state law or regulation in the delivery of services or benefits.

### **Policy**

All employees, job applicants, clients, customers, program participants, and consumers of GEMA/HS and its subrecipients shall be treated equally regardless of race, color, religion, national origin, age, English proficiency, or physical or mental disability, sexual orientation, or gender identity.

Individuals have the right to participate in programs, activities, and services operated by GEMA/HS and its subrecipients without discrimination. Statutes and regulations that apply include, but are not limited to, the following:

- Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin in the delivery of services (42 U.S.C. § 200d), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart C and D, and DHS implementing regulations at 6 C.F.R. Part 21 and 44 C.F.R. Part 7;
- Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in the delivery of services and employment practices (29 U.S.C. § 794), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart G;
- Titles I, II, and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the delivery of services and employment practices (42 U.S.C. §12101-12213 and §12131-34), and the DOJ implementing regulations at 28 C.F.R. Part 35;
- Title IX of the Education Amendments of 1972, which prohibit discrimination on the basis of sex in educational programs (20 U.S.C. § 1681), the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart D and 28 C.F.R. Part 54, and the DHS implementing regulations at 6 C.F.R. Part 17 and 44 C.F.R. Part 19;
- The Age Discrimination Act of 1975, which prohibits discrimination on the basis of age in the delivery of services (42 U.S.C. § 6102), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart I;
- Title VIII of the Civil Rights Act of 1968, which prohibits recipients from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services

in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (42 U.S.C. §3601);

- The Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of race, color, national origin, religion, or sex in the delivery of services and employment practices (34 U.S.C. §10228(c), see also 34 U.S.C. §11182(b)), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart D;
- The DOJ regulations on the Equal Treatment for Faith-Based Organizations, which prohibit discrimination on the basis of religion in the delivery of services and prohibit organizations from using DOJ funding on inherently religious activities (28 C.F.R. Part 38);
- The Victims of Crime Act (VOCA) of 1984, which prohibits discrimination based on race, color, religion, national origin, handicap, or sex (34 U.S.C. §20110(e));
- The Violence Against Women Act (VAWA) of 2013, which prohibits discrimination on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability (34 U.S.C. §12291(b)(13));
- The DHS regulation, which prohibits discrimination based on religion in social service programs (6 C.F.R. Part 19);
- Executive Order 13166, “Improving Access To Services For Persons With Limited English Proficiency”, which requires Federal agencies to develop and implement a plan to provide services to those persons with limited English proficiency (LEP) to ensure meaningful access to programs and activities conducted by those agencies;
- Georgia’s Fair Employment Practices Act of 1978, found at O.C.G.A. § 45-19-29, et seq., which prohibits public employers with 15 or more employees from engaging in discrimination on account of an individual's race, color, religion, sex, age, national origin, or disability;
- Georgia’s Sex Discrimination in Employment Act of 1966, found at O.C.G.A. § 34-5-1, et seq., which mimics the Equal Pay Act of 1963, in that it prohibits discrimination between employees in the same establishment, on the basis of sex, in their compensation for comparable work;
- Georgia’s General Age Discrimination Law of 1971, found at O.C.G.A. § 34-1-2, which makes it a criminal misdemeanor to discriminate against any person between the ages of 40 and 70 years, solely upon the ground of age, when the reasonable demands of the position do not require such an age distinction. The individual must be qualified physically, mentally, and by training and experience to perform satisfactorily the labor assigned to him or her for which he or she applies;

- Georgia's Equal Employment for Persons with Disabilities Code of 1981, found O.C.G.A. § 34-6A-1, et seq., which mimics the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as amended, in that it prohibits discrimination because of an individual's disability with respect to wages, rates of pay, hours, or other terms and conditions of employment because of such person's disability unless such disability restricts that individual's ability to engage in the particular job or occupation for which he or she is eligible. The Code has no administrative prerequisites to filing suit; and
- Atlanta Ordinance No. 2000-79, § 1, which applies to employers located within the City of Atlanta with ten or more employees. The Ordinance prohibits employment discrimination based on race, color, creed, religion, sex, domestic relationship status, parental status, familial status, sexual orientation, national origin, gender identity, age, or disability.

### **Definitions**

**Complaint Coordinator:** A person or persons designated by GEMA/HS to ensure that received complaints are acted upon in a timely manner.

**Discrimination:** The treatment or consideration of, or making a distinction in favor of or against, a person based on the person's legally recognized protected category (including race, color, national origin, gender, age, sexual orientation, gender identity, religion, English proficiency, or disability) to which that person belongs rather on individual merit. There are various federal and state laws and rules that further describe the specific types of discrimination.

**Retaliation:** The act of harassing, threatening, demoting, firing, or otherwise negatively targeting a complainant as a direct result of the complainant opposing unlawful discrimination.

**Subrecipient:** A non-Federal entity that receives a grant sub-award from GEMA/HS to carry out part of a Federal program. A subrecipient does not include an individual that is a beneficiary of such a program.

### **Complaint Procedures**

An employee, client, customer, program participant, or consumer of GEMA/HS or of a GEMA/HS subrecipient may submit a complaint of discrimination concerning the implementation or administration of any program, activity, or service receiving federal financial assistance from the DOJ or DHS on behalf of him/herself or on behalf of another. Any such individual has the right, and is encouraged, to file a written complaint with the Office for Civil Rights in the DOJ (OCR), the DHS's Office for Civil Rights and Civil Liberties (CRCL), or GEMA/HS.

3. Any GEMA/HS employee receiving such a complaint submitted directly to GEMA/HS, and any GEMA/HS employee wishing to submit such a complaint directly to GEMA/HS, shall route it to the Complaint Coordinator.
