EXEMPTION APPLICATION INSTRUCTIONS

ALL QUESTIONS ON THE APPLICATION MUST BE ANSWERED.

- Please only submit one application per parcel of real estate or account of personal property.
- Please describe only the property in which you are applying for, and not any other properties owned by the applicant.
- The fact that fees are received from the use of the property does not mean that the property is not exempt; but it is important that the applicant describe every charge in detail. Please state what expenses these fees/charges cover.
- If open to the general public, describe how often it is available to the public or which specific groups of people it is open for, or if service oriented, state the number of people available to apply for the services each year.
- Applicants applying for exempt status are typically organizations of some type, not private individuals. However, it is very important that all reasons are explained in detail in order to receive exempt status.
- Incidental Income is defined as income resulting from any use not directly related to the activities of the organization. Such as rental & lease fees for facilities.
- Exemption from state and federal income taxes does not automatically constitute exemption from ad valorem taxes & neither does non-profit status. Applicants must meet all Georgia Law requirements for Exempt status.
