Aaron,

Our staff has reviewed the Annual Capital Improvement Element (CIE) Update for Effingham County and finds that it adequately addresses applicable requirements. The next step is for the local government to adopt the CIE Update. As soon as your office provides written notice that the CIE Update has been adopted and provides DCA with a digital copy of the final adopted version of this document, we will notify the local government that its Qualified Local Government status has been extended. If you have any questions, please contact us at [404-679-5279](tel:404-679-5279).

Thanks,

Following, DCA will notify the County that its Qualified Local Government status has been extended. If you have any questions, please contact me at (912) 223-9258.
