(Report and Data Analysis are at hourly rates)	

The hourly rates listed in this document are for portal-to-portal time. Overtime (any work performed in excess of a standard 8-hour day) and work performed on weekends or holidays will be charged at the regular rate multiplied by 1.50. Overtime rates will also apply if United Consulting services are to be performed after 4:30 p.m. Analytical testing rates are based on standard turnaround of 5 to 7 business days. Rush charges apply to expedited analysis.

Subcontractors

If United Consulting must use a subcontractor in order to complete the work, the services of the subcontractor will be charged at a rate of cost plus 15%.
