**RE: Roundabout lighting assistance for SR 17 @ MARLOW ROAD/WESLEY DRIVE – P.I. No. 0019612; SR 26/US 80 @ CR 311/SANDHILL ROAD – P.I. No. 0019658; SR 30 @ KOLIC HELMEY ROAD – P.I. No. 0020095; Effingham County**

Dear Mr. Callanan,

The Department will require a signed agreement for roundabout lighting installed as part of the above-mentioned project. The lighting shall be administered in the form of a Local Government Lighting Project Agreement (LGLPA). It will be the responsibility of the County to provide Energy, Operation and Maintenance for the system. The Department shall be responsible for the design and installation, including all costs of materials for the system.

Attached for your review are two (2) original copies of the proposed LGLPA between the Georgia Department of Transportation and Effingham County, for County and State participation. It is requested that a Resolution be secured from the Board of Commissioners before entering into the Agreement. By virtue of the Resolution, the County can then enter into the Agreement. The Resolution/Agreement process can be done concurrently. If you concur with the terms of this Agreement, please attach an official copy of the Resolution (including all signatures and seals) to each of the Agreements. Then, please obtain the necessary signatures and appropriate seals from the Board of Commissioners on the two copies of the Agreement and return both copies to the Office of Design Policy & Support for further handling. *Please do not fill in the date on the first page of the Agreement, as the Department will complete this upon execution.* We will return one copy of the executed Agreement for your files.
