Item Description: Consideration to approve the Annual Contract Renewal Agreement with GENESYS Health Alliance, LLC for inmate health care services at the Effingham County Prison and Jail for July 1, 2026, through June 30, 2027.

Summary Recommendation: Staff recommends the Board approve the one-year renewal and annual price increase of \$21,624.00 (4%), for an annual base price of \$562,224.00, with monthly payments of \$46,852.00.

Executive Summary/Background:

The County competitively solicited these services in 2023 through RFP No. 23-RFP-036, Inmate Medical Services - Effingham County Jail/Prison. The evaluation tabulation lists five proposers and identifies GENESYS Health Alliance as the selected vendor.

The original agreement covers both the Prison and Jail for August 1, 2023, through June 30, 2026. Article 9 provides for automatic one-year renewals, subject to termination provisions, with negotiated Consumer Price Index (CPI)-based increases not exceeding 4%. GENESYS Health Alliance proposes a one-year renewal with a 4% increase, citing current market conditions.
