

Staff Report

Subject: Approval of Required FY 2027 LMIG Application Documents

Author: Brooke Sutherland, Engineering Project Coordinator

Department: Procurement, Engineering

Meeting Date: September 15th, 2026

Item Description: Consideration to approve the Official Road List and required signature documents for Effingham County's FY 2027 Local Maintenance & Improvement Grant application.

Summary Recommendation: Staff recommends approval and authorization of the Official Road List and required signature documents for Effingham County's FY 2027 LMIG application for submission to the Georgia Department of Transportation.

Executive Summary / Background:

Effingham County is preparing its FY 2027 Local Maintenance & Improvement Grant (LMIG) application for submission to the Georgia Department of Transportation. The proposed Official Road List includes approximately 7.7 miles of milling, leveling, and resurfacing on North Fifth Street, South Fifth Street, Fourth Street South, Ingram Road, Helmey Drive, Deerwood Court, Caroni Drive, Old Dixie Highway South, Half Moon Road, and Patterson Drive.

As part of the FY 2027 LMIG application, GDOT requires execution and submission of the LMIG signature page. The signature page requires the County to certify compliance with applicable LMIG guidelines and state requirements and confirm that the roads included in the project list are dedicated public roads within the County's public road system.

Alternatives for Commission to Consider:

1. Approve the FY 2027 LMIG Official Road List and required signature documents.
2. Do not approve
3. Provide staff with direction

Recommended Alternative: 1

Other Alternatives: 2, 3

Department Review: Procurement, Engineering

Funding Source: Capital Improvement Budget
