

Staff Report

Subject: Award Recommendation for 24-ITB-069 SR-21 at McCall Signal- Construction

Author: Danielle Carver, Procurement and Contract Manager

Department: Public Works, Project Management

Meeting Date: January 7, 2025

Item Description: Approval of the contract with Moye Electric Company for the construction of the SR-21 at McCall Road Signal Project.

Summary Recommendation: Staff recommends approval of the construction contract with Moye Electric Company for \$420,725 to complete the SR-21 at McCall Signal Installation.

Executive Summary/Background:

The project involves the installation of a traffic signal at the intersection of SR-21 and McCall Road in Effingham County. This is a lump sum contract requiring compliance with Georgia Department of Transportation (GDOT) standards. The construction contract includes:

1. Full coordination with GDOT.
2. Completion of all work within 90 days from the issuance of the Notice to Proceed.
3. A total project cost of \$420,725, as detailed in the contractor's bid proposal.

Moye Electric Company has been selected following a competitive bidding process (Invitation for Bid 24-ITB-069).

The scope of work includes meeting GDOT specifications to improve traffic flow and safety at the SR-21 and McCall Road intersection. Following bid evaluations, Moye Electric Company was determined to be the most responsive and responsible bidder.

The project aligns with county goals for transportation safety improvements and fulfills local planning priorities.

Alternatives for Commission to Consider

1. Approve the construction contract with Moye Electric Company.
2. Do not approve the contract and provide alternative direction to staff.

Recommended Alternative: 1

Other Alternatives: 2

Department Review: Procurement, T&H, County Engineer
